

Oregon Employers Urged To Get Certificates

PORTLAND, — Employers in Oregon who are covered by the Fair Labor Standards Act — Federal wage and hour law, and who are planning to hire minors during the summer school vacation period were advised today to obtain age certificates for minors claiming to be one or two years older than the minimum age requirements for the occupation in which they seek employment.

This warning was sounded by Madison R. Smith, who represents the wage and hour and public contracts division, U. S. Department of Labor, in Oregon.
