HOUSEHOLD HINTS

To remove bloodstains on a mattress cover them with a starch paste. Let the paste dry and remove it. Keep this up until stains are gone.

Never hang mirrors where they will be hit by the sun's rays. If you do, the mirror will become cloudy.

A coating of talcum powder or cornstarch will help preserve any rubber article after it has been washed and dried.

Peroxide is good for removing chocolate candy stains on white fabric.

A teaspoonful of salt in the bottom of an oil lamp will keep it from flickering.
