

Storage Chest Solves Extra Space Problem

IF YOU have a problem storing extra bed linen, out-of-season clothing, or just about one hundred other articles everyone collects and doesn't know where to put, this under-the-bed storage chest should be of interest to you. While the pattern offered suggests building a chest approximately

30" wide, 42" long by 6" deep, it can be built to any length required.

One of the big features of this chest, beside ample storage facilities, is its utilization of unused space. Being suspended between large wooden wheels the chest can be rolled under the bed, even over rugs with very little effort. Its capacity is truly amazing. Being dustproof, it provides an excellent place to store your finest things.

Anyone can build the chest by following the full size pattern now available. It tells what materials are needed, shows location of bolt and screw holes and provides the simplest method of building. All the materials needed are now available at lumber yards everywhere.

If you live in an apartment and hesitate to make this chest for fear of disturbing the neighbors, the chest can be built without driving a nail. A glue is now available that binds two pieces of wood together so thoroughly that the wood will break before the joint can be loosened.

A tip to those who plan on attending a wedding real soon—this chest makes an ideal wedding gift for the lucky bride and groom. Send 25c for Pattern No. 37 to East-Bild Pattern Company, Dept. W., Pleasantville, New York.

Harsh Laxatives are NOT necessary for most people

The juice of a lemon in a glass of water, when taken first thing on arising, is all that most people need to insure prompt, normal elimination.

No more harsh laxatives that irritate the digestive tract and impair nutrition! Lemon in water is good for you!

Generations of Americans have taken lemons for health—and generations of doctors have recommended them. They are rich in vitamin C; supply valuable amounts of B₁ and P. They alkalize; aid digestion.

Not too sharp or sour, lemon in water has a refreshing tang—clears the mouth, wakes you up. It's not a purgative—simply helps your system regulate itself. Try it 10 days. USE CALIFORNIA SUNKIST LEMONS

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
