If You Damage It!

That's right!

The new Gates tire has proved itself so superior in strength and durability that with it we can now give you this WRITTEN CONTRACT, which says:

If you BRUISE this tire; if you get a BLOW-OUT, RIM CUT, or other TIRE INJURY, the expense is OURS—not yours.

That's REAL
Pocketbook Protection—
more than you've probably ever had before. But—even more important to you—we obviously could not afford to sign such a contract if we did not KNOW that the Gates Tire actually delivers more in SERVICE, more in SAFETY, more in MONEY SAVED.

Come in and see it today.
