Families Enjoy Variety in Desserts!
(See Recipes Below)

Dessert Patterns

"MY FAMILY CAN enjoy the same meat and vegetable dishes," says a homemaker, "but they really want variety in their desserts. It's hard to keep enough good, easy to make things on hand to satisfy them."

Well, our hunger patterns are usually satisfied by the time we get to the "frosting" of the meal, and we all like something special. We may want to save the main course, but we like surprises for desserts.

The woman who is busy with many household duties might like to skip dessert just because she can't think of something new, or because desserts are a bit too complicated to prepare, or so she thinks. How about some easy but sure to be good desserts for family or company dinners?

YOU'LL WANT to choose a light, fluffy gelatin or fruit dessert when the meal's been substantial. If, on the other hand, the meal has been a hurry-up affair then give the folks a nice, rich, baked dessert which will really stick to the ribs. Above all, make them picture pretty, gay, colorful and breath-takingly good like those in the column today.

Cranberry Log

- 1/2 cup sifted cake flour
- 1/2 teaspoon baking powder
- 1/2 teaspoon salt
- 3 egg yolks
- 3 egg whites
- 1/2 teaspoon cream of tartar
- 1/2 cup sugar.

Beat egg whites until frothy. Add cream of tartar and beat stiff. Add 1/4 cup sugar and beat until points are formed. Add remaining sugar to egg yolks and beat until thick and light colored. Fold carefully into egg white mixture. Then fold in sifted dry ingredients. Pour into a shallow pan, 9 by 12 inches, which has been greased and lined with waxed paper. Bake 20-25 minutes at 350 degrees. Have ready a strip of waxed paper cut about 15 inches longer than the cake. Sprinkle thickly with powdered sugar the section on which the cake will be turned. Roll up 15 inches of paper to form a thin roller which will make center for the rolled cake.

When cake has baked, turn out on powdered sugar. Remove paper from cake. Then, starting with roller, roll up cake like a jelly roll. Cool. Unroll cake when cool and spread with softened cream cheese and reroll tightly.

Cherry Cream Pudding

(Serves 6-8)

- 6 eggs, separated
- 1 1/4 cups sugar
- 1/2 cup boiling water
- 1 cup sifted cake flour
- 1 teaspoon cream of tartar
- 1/2 teaspoon vanilla
- 1/2 teaspoon almond extract

Slowly boil sugar and water until it threads when dropped from the end of a spoon. Beat the whites stiff. Pour hot syrup over whites slowly, and beat until cool. Beat egg yolks until thick and lemon-colored and blend in egg white mixture. Add

LYNN SAYS:

Provide Hot, Hearty Meals on Cold Days

Give pork chops a new and different flavor by breading them, and then baking in tomato juice with slices of lemon. All fruit salads may be made to appear richer when made with fruit flavored gelatin and sieved cottage cheese, and then molded. If you're afraid that dinner won't fill appetites well enough, add a hot cream soup or chowder to the menu.

flavorings, then sifted dry ingredients. Bake in an ungreased tube pan in a moderate (350 degrees) oven until golden and done, about one hour. Cool and fill center with one can (No. 1) of black, pitted cherries which have been folded in two cups sweetened whipped cream

Molded Rice Pudding

(Serves 6-8)

- 2 cups cooked rice

- 2 tablespoons gelatin
- 1/2 cup cold water
- 2 slices pineapple, cut up

Add the juice from the can of apricots to the cooked rice. Stir over a low flame until rice has absorbed the juice. Soak gelatin in cold water. Stir into hot rice. Add all except a few apricots (saved for garnish) which have been rubbed through a sieve. Mix in pineapple. Mix lightly so as not to mash the rice. When mixture begins to set, add whipped cream which has been mixed with sugar and vanilla. Pour into a cold rinsed mold and allow to chill. Turn out onto platter and garnish with apricot halves and additional whipped cream, if desired.

AFTER months of preparations and several postponements, Columbia Broadcasting will present "The Hollywood Story" on October 27. One of their expertly done documentaries, running from 10:00 to 11:00 p. m. EST, it will examine the way in which a picture is put together. "The Best Years of Our Lives" will be used as an example, sound track and all. Paul Stewart, a member of Samuel Goldwyn's staff, has the main role, and Myron McCormick will act as narrator.

Leo McCarey, producer-director of RKO's "Good Sam," predicts that the near future will find more children on the screen, in better roles, because we are entering on a new era of wholesomeness, Americanism and family life.

Howard Hawks' "Red River," (United Artists) takes a page out of American history, based as it is on the first cattle drive over the Chisholm trail, from Texas to Kansas. It has all the requirements of a super-western—fights with Indians,

Alexis Smith, boarding a Hollywood-bound plane to leave Pentecost, B. C., after presiding over western Canada's annual peach festival, stumbled and fell flat on her pretty face. Hundreds of people who had come to see her off groaned in sympathy. But their groans changed to laughter when she stood up, smiled and said, "Always leave 'em laughing, that's me!"

When Guy Hoskinson won an extra role in RKO's "Rachel and the Stranger," part of his costume was a coonskin cap which he wore home the first night. His young son exclaimed "That's just like one Randolph Scott wore in a movie." And was he thrilled when his father took the cap off and examined the leather lining for in ink was written "R. Scott."

CBS's master of ceremonies Bill Cullen works so hard he hardly has time to sleep, what with appearing as quizmaster on "Winner Take All," "Hit the Jackpot," and doing numerous other chores on the air. But he finds time for his hobbies—midget auto racing, interior decorating and cooking odd dishes.

50,000-Mile Trip For Vacation

A two-year vacation and 50,000 miles, from Alaska to Guatemala, are ahead of Harold W. Siebens of St. Louis, Mo. Siebens sold his business last year on the advice of his doctors.

He will be accompanied on his jaunt by his mother, two daughters, a son and radio technician. They are traveling in two light trucks, each with a house trailer attached.

"I've always wanted to take a trip like this," Siebens said as he started out recently, "with nothing to worry about but the road ahead and all the time in the world." The first lap of the trip will take the group to Alaska by way of the Alaska highway.

HOUSEHOLD HINTS

Butter needs protection from air, from light and from evaporation of its moisture in order to keep its fresh taste and texture. The paraffined carton does a fine job of performing these duties.

To keep straw hats clean, flick occasionally with a clean cloth or brush lightly with a clothes brush. This prevents dust from accumulating in the weave crevices.

Since frankfurters are cooked when manufactured they need only be heated; cover them with boiling water and simmer (do not boil) for about 5 to 10 minutes until they are thoroughly hot.

Drop cookies may often be flattened with the tines of a fork; just press fork in two directions, making a crisscross pattern.

Be sure to skim all the fat from the drippings of a lamb or mutton roast before you make the gravy. Then you'll have the flavor of meat without the strong fat flavor.

Ash trays should be emptied and washed each night before closing up the house. This prevents a stale, musty odor the following day.

Carded yarns mean the cotton has gone through one process to straighten out the fibers before they are made into yarn. Combed yarn has gone through two. This means more long fibers, and a smoother and more durable yarn.
