OREGON can trust the leadership of a man whose war buddies picked him as commander of their Legion Post, whose business associates made him president of the Chamber of Commerce, whose competitors picked him for state president of their trade association, whose neighbors elected him mayor of his home town.

Continuously, since 1935, he has topped the ticket for Senator from Marion County in every primary and general election... has never been defeated for any office... has always won his home precinct, his home town, his home county.
