Harry Hunt and Marshall Burrows left for Eastern Oregon this week where they will hunt elk. They will visit Mrs. Hunt and Guy at Baker, Oregon before they return.

The O'Brien new school room is progressing nicely. The foundation forms are already in and cement poured.

Lily Peters and Ruby Thompson were visitors last Sunday at the home of Maude Watkins in Cave Junction.

Friday, October 29, a Hallowe'en costume party will be held at the Community Church Missionary hall at 7:30 p. m. Join the Scouts and have fun in the Troop's Slogan.

Emil Prucha Passes in Hospital at Roseburg

After several weeks search for the whereabouts of Emil Prucha, well known in the Valley, word was received through the American Legion of which he was a member, that he passed away at the Veterans hospital in Roseburg September 21, and burial was in the Veterans plot at the hospital on September 23.

Mr. Prucha had been in ill health for several months and left the later part of September for Portland where he was to enter the Veterans hospital there for treatment, but evidently got as far as Roseburg where he was taken from the Greyhound bus and rushed to the hospital where he passed away. No information as to surviving relatives could be obtained except that he had a niece, Miss Lillian Prucha, living in New York.

POLITICALLY—

... and of course you have been hearing this:—
"IT TAKES A MAN TO RUN THE OFFICE . . .
Women are all right as deputies—but . . . the office needs a man . . ."

DOES IT?

Let's look at the office of County Treasurer . . .
Out of 36 County Treasurers in Oregon, Twenty Two (22) are Women.

Early this year Lincoln Savage, County Treasurer for many, many years, in withdrawing as a candidate for re-election due to failing health and advancing years, emphatically urged the election of his Deputy

Alice Smith Davidson

In his recommendation Mr. Savage had high praise for the knowledge of the office, the fact that Alice Smith Davidson is at present discharging all the duties of the office in a most efficient manner. He further pointed out the decided benefit of this experience to the County.
