## Coffee Table Used In Variety of Ways

THE FULL size patterns now available provide a quick, accurate, easy and inexpensive method of making many handsome articles of furniture and household equipment. The Salisbury table and tray illustrated above is cleverly designed and is as much in demand for use indoors as out. The table legs are collapsible and easily stored. Used by themselves, they make an ideal luggage rack.

Build this table from the pattern offered below and you will find how very easy it is and lots of fun too. The pattern is merely traced on the lumber. The lumber is then sawed and assembled exactly as and where the pattern indicates. No special tools or skill are required. All materials can be purchased at any lumber yard. Paint it for use on porch or lawn, stain it for use indoors.

Send 25c for Salisbury Coffee Table Pattern No. 52 to East-Bld Pattern company, Dept. W., Pleasantville, N. Y.

## Sound Waves May Be Used As a Local Anesthetic

**When Your Back Hurts -**

**And Your Strength and Energy Is Below Par**

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
