**AREA CONFERENCE
HELD BY LEGION**

On Sunday, April 2nd there was held in Grants Pass an Area Legion conference at which the principal speaker was the State Commander B. E. "Kelly" Owens. Among those attending from the Glenn Morrison Post were O. B. Nassen, E. R. Brillhart, A. A. Whitesell, H. Hartwell, R. W. Budd, and Elwood Hussey. Much information on current Legion programs and activities were gained by those in attendance. The Glenn Morrison Post was complimented for leading all other Posts in Southern Oregon in maintain-

ing the highest number of paid up members based on the number of eligible veterans in the locality of the Post.

Legionnaire Eugene A. Wassell has entered the Veteran's hospital in Portland for treatment of a tropical skin irritation on his hands, which prevents his following the barbers trade. His case is being followed by the Glenn Morrison Post in order that every possible assistance can be extended.

The Legion will take care of accepting and placing the headstone on the grave of a veteran who recently passed away at Holland. His widow found it necessary to make her home in Southern California. This service will gladly be extended in any similar case.

The erection of that flag-pole at the Legion hall that has been scheduled for so many months may become an actuality one of these days. Maurice Sauer has delivered the steel rail needed for the base. Blake Miller hopes to proceed with the balance of the work in the near future.

Senator Guy Cordon has furnished a copy of the revised Veteran's Pension bill to the Post. It has been posted on the bulletin board, and interested veterans are asked to be guests of the Post on

**CHURCH
NOTES**

Sunday School attendance was 179 last Sunday. The sanctuary was full to overflowing for the morning worship service. Mrs. Sherier's class did the decorating. The central theme was a tall white cross, at the base of which were ferns and white daffodils. Many bouquets of daffodils were grouped around the rostrum.

Rev. Gray's lesson was from Romans, 6th chapter and text taken from Cor. 1, 15th chapter, verses 20, 21, 22.

Mrs. Harold Mock sang "The Lord Is My Shepherd," Mrs. Raymond Proctor, accompanist. The Junior choir sang "Christ The Lord Is Risen Today."

That bill did not appropriate any money.

Many people, including some members of Congress, have taken the attitude that the sum named in the authorization bill is the amount we are putting into the ECA program. That is not the fact. The actual appropriation

bill comes later. I did what I could to keep the record straight on this point by taking the floor. A portion of my statement to the House follows:

"... I feel satisfied to vote for the bill as a continuation of a program we have started but the record must clearly show, and the people of the country must clearly understand, that we are not today dealing with an appropriation item but we are setting a figure which is a maximum for the program."

I feel certain the appropriation for ECA will be considerably less than the five and one-half billion figure in the bill.
