large boat that can be used as a sandbox or as a wading pool. Its simple construction eliminates need for anything more than a hammer and a saw. Complete, step by step directions and full size patterns insure building in a minimum of time. Painting guides are also printed full size on the pattern. These can be traced directly on the finished boat and painted with colors suggested by pattern. All lumber needed is stock size and can be obtained at lumber yards everywhere.

Send 35c for Barge Boat Pattern No. 77 to East-Bild Pattern Company, Dept. W Pleasantville, N. Y.

Weak Congress Passed Long-Range Laws

Although the congress of the United States created by the Articles of Confederation was hopelessly weak and inadequate, it set some momentous precedents which greatly influenced the cultural and territorial development of the nation.

The Land Ordinance of 1784 significantly announced that the unsettled lands of the United States were to be considered as territories being prepared for full-fledged Statehood rather than 'colonies' of the federal government — thus guaranteeing new states absolute equality with older states, which was unprecedented in governmental and judicial history. Moreover, the Land Ordinance of 1785 endowed American public schools with millions of acres of land.
