Windy Sure "Stopped The Show"!

The other night a bunch of us were over at Judge Cunningham's watching a swell vaudeville program on his new television set. It came in fine, but just once, the screen got a little streaky.

Before the Judge could touch the knob to bring it into focus, old Windy Taylor starts fooling around with the antenna connection. "I can fix that!" he says.

Windy fixed it all right. He "stopped the show" for us, and Buzz Ellis had to come over and do a \$20 repair job. I understand

Windy feels so bad, that he's paying the bill and has apologized to the Judge for acting so smart.

From where I sit, it pays to practice a little restraint whenever we get the urge to meddle. Whether it's television or a person's right to enjoy a temperate glass of sparkling beer now and then—let's get a good clear "picture" of the real situation before we cause more harm than good.

State Park Dedicated Last Week

Impressive services were held recently in the Alfred Loeb myrtlewood grove dedicating Oregon's first forest state park. The park, 7 miles up the Chetco, comprises 160 acres of land and includes one of the finest and most beautiful stands of myrtlewood in Oregon.

This event marked the first attainment of Save the Myrtlewoods, Inc. In this accomplishment the Azaia Garden club assisted, led by Mrs. W. E. Wilhelm, past state federation president, through whose efforts state garden clubs contributed.

Preceding the dedication a picnic lunch was served on the banks of the Chetco by the Aalea Garden club, including out of town garden club members from Portland, Salem, Medford and surrounding vicinity.

Mrs. Wilhelm and Mrs. H. O. Smith, assisted in unveiling the monument.
