### Post-Auxiliary Easter Party Draws 175

Glenn Morrison Post No. 70 and the Ladies' auxiliary wish to express their appreciation to the management of the Ivy Theatre for its courtesy and generosity in making the theatre available for the children's Easter party.

Miss Vivien McCasland and Mrs. Harry Hartwell, Post and Auxiliary Child Welfare committee chairmen respectively, also extend thanks to all the ladies who helped with the show and the Easter egg hunt. About 175 children of the Valley attended the events.

About 75 per cent of last year's automobile accidents were caused by drivers of passenger cars.

This week we finished the foundations and the walls are starting up — it looks a little more like CONSTRUCTION than DESTRUCTION now!

We've moved the shop into the wash-rack and the stock room into the show-room, and business is rolling right along as usual. We'll be able to handle MORE work when our new shop is completed, but nobody can do BETTER work than we're doing right now. Bring your truck or car repair problem to us today for a fast, dependable job at the most reasonable rates in town.
