Favorite Recipe Corner

How about that favorite recipe? During my recent bout with the "flu" bug, many kind neighbors brought in such delicious things for me to eat, and helped keep my apartment in order. I wish to thank them all for their thoughtfulness. J. C. has one or two specialties but they weren't just what a recuperating invalid should have, and I was beginning to yearn for something besides canned soup.

Edith Farlien brought in something I hadn't had before. It was dressing done up Southern Style. In our discussion about different styles of cooking, Edith brought up the suggestion of exchanging recipes. I know that we all have one favorite recipe. Jessie Purdy told me about a "quickie" meal made out of ham, celery, etc., that Norma Fulmer whips up, and Beulah Hamilton sure knows how to fix up a Mexican dinner.

Send in your favorite recipes, ladies, it's always fun to collect new ideas in cooking.

Illinois Valley Teachers Hold Picnic Sunday

The Illinois Valley Teachers' association held its annual picnic at Grayback Camp with a larger attendance than at any other of its last get-togethers.

Wertz; vice-president, Mrs. Allene Bengel; program chairman, Wesley Peters; secretary-treasurer, Mrs. Rosabelle Oliver, and corresponding secretary, Mrs. Irene Cribb.

Out-going president, Garland Bengel, expressed gratitude to program chairman Mrs. Hazel Ingham and to all who assisted in the organization during the year.

Mrs. Wertz, in receiving the gavel, gave a brief acceptance speech in which she expressed the hope that the organization might continue to promote its high purposes as stated in the constitution.

"Further," she said, "we are all in business together and can do business better if we know one another socially and as neighbors. Neighborliness is the broadest and the most enduring expression of true culture," she concluded.

The afternoon was spent in playing volleyball, softball and horseshoes. Many of the younger guests remained until later to enjoy a weiner roast.

ARTHRITIS Hundreds Claim Its Grip Broken!

Dear Friend:

Do you have Arthritis? Have you a relative or friend that is suffering from this painful, distressing ailment?

I came upon a simple remedy, that ended my long search and battle to rid myself of Arthritis. I had my teeth pulled, tonsils out, serum shots, electric fever treatments, special built shoes, hot baths, pills and salves. The Arthritis withstood them all, and examination in several of the best known clinics could detect nothing. Finally, I discovered Sulgly-Minol. Today, after seven months I am more free of pain and soreness than at any time in twenty years. Can work ten hours a day, with nothing more than tired feet. Legs, hips, back, neck and arms are practically free of pain and soreness. This has cost me less than six dollars.

This is all I did, and all you will have to do to try Sulgly-Minol. Just rub it on the soles of both feet before going to bed. A bottle will last about a month and will be enough to tell whether it will help. If it helps, keep it up for a month, and after that, just as you feel. If my feet feel sore from too much activity, I rub some on for a night or two. In my opinion, the benefits of Sulphur are more sure and complete on the soles of the feet. The results obtained have been acclaimed by many as a Godsend.

Often I have asked the question, "Why can't something be done to help me?" I sincerely believe that here is something that will help people who are suffering from Arthritis and want to tell as many as I can about it. I am sure you do too.
