front locale. In the cast we find, Mary Beth Hughes, as a femme fatale who serves as the fence for the gang, Mike Mazurki is properly menacing; Peggy Converse as Warner Baxter's romantic interest, and Regis Toomey who is convincing as a gang leader.

Cowboy star Allan "Rocky" Lane stars in Republic's "Sheriff of Wichita". How he, with the aid of the major's daughter, Nancy, manages to clear the names of innocent men and bring the criminals to justice, is spectacularly told in one of the most thrilling westerns to come from

Republic. The stellar supporting cast includes Roy Barcroft as cruel Sam Stark, Eddy Waller as Nugget, with Lyn Wilde playing Nancy and Clayton Moore as D'Arcy.

Thursday and Friday Alexander Knox and Ann Southern star in "The Judge Steps Out." It is a unique romance with some sprightly overtones of a man's latter-life romance.

George Tobias, Frieda Inescort, Florence Bates, little Sharyn Moffett, Myrna Dell and other noted players turn in nicely handled roles. All in all, it's a hearty and pleasant piece of film fare. Comment — a good show.

COUGARS
(Continued from Page One)
In the morning relays were run and the black team won by having the most points. At noon a lunch, which consisted of sandwiches, potato-salad, potato chips, pop and pickles was served for 25c. In the afternoon several people went swimming while others played baseball. Miss Sella, the advisor of the G.A.A., was in charge of activities. The new evening gowns: Low and behold!

3 IMPORTANT FEATURES
MAKE THE JOHN DEERE YOUR Outstanding Buy!

Three mighty important features of the John Deere Side-Delivery Rake add up to a combination that assures more profitable hay-making.

First: its spring-suspended floating cylinder conforms readily to the surface irregularities . . . picks up all the hay. Second: the quick-detachable curved teeth gently lift the hay into loose, fluffy windrows with stems outside, leaves inside, to cure in Nature's way. Third: the inclined frame provides plenty of clearance where the volume of hay is greatest.

These outstanding features combine with many other advantages to give you a rake that's tops in leaf-saving performance. See us soon for full details.
