CHURCH NOTES**CAVE JUNCTION COMMUNITY CHURCH**

George H. Gray, Pastor
Sunday School at 10 a. m.
Morning Worship at 11 a. m.

SS attendance was 135. Birthdays observed for Mrs. Grace Etherton, and Eldon Sams. Cor-sages were given to all fathers from the Mills gardens, and in other ways fathers were given special mention.

Rev. Gray took for his text Gen. 1:26—"And God said, Let us make man in our image, after our likeness," and spoke on the glory of fatherhood, making a plea for men of character, wisdom, of honest report and spirit filled, such men so needed in our churches today.

Mrs. Seat and Mrs. Drews sang as a duet "Under His Wings." A monthly gift of \$10 was reported for Rev. A. J. Vollin's work with Village Missions.

Among other visitors were Mr. and Mrs. Curnow of O'Brien, Mr. and Mrs. Fendley, Mrs. D. H. Preston and her guests; Mother Preston and Mrs. E. H. Dennis of California; Mrs. Valla Murff, of Bellflower, California, and a number of college folks home for summer vacation.

The evening service was in charge of two students of Pacific Bible School of Portland, Mr. Edmund Burton and Mr. Raymond Mendenhall, and was much enjoyed by all present. Mr. Mendenhall and Mrs. McDaniel sang a duet, "Take up thy cross."

The monthly meeting of the Missionary Society was held in the church parlors on Wednesday afternoon, with a business meeting which was followed by an hour or more of skits, games and entertainment, with light refreshments at the close. Reports were made and plans for the summer meetings discussed.

The "Singspiration" at Bridgeview brought out a record crowd, with some unusual features, special music by the pastors of the Valley, also by the wives of pastors, some fine children's choruses by the Selma church folks, with accompaniments furnished by Mrs. Peap on the violin, Mrs. Cox with her accordion and Mr. Owens with his steel guitar. The next "Singspiration" is scheduled for the Wonder church.

The presence of Rev. Spence Johnson and wife, soon to go as missionaries to Japan, who spoke at Wonder in the morning and at Bridgeview at night added much to the service.

The picnic last week on Thursday evening at the Burton home, given by the ladies of the Redwood circle, was well attended with between 30 and 40 present, and with the usual delicious food. After supper on the lawn the children had active games whereas the older folk retired to the living rooms for some exciting relay races, a spelling contest and a guessing game of famous personalities, with Edmund Burton carrying off the prize with seven guesses. All voted for a repeat performance with a bit warmer weather to be ordered.

The Town Circle met last week on Thursday with 14 ladies present and one guest, Mrs. Ruby Gouff. A donation was made towards a building fund, and bars of soap are to be brought to be included in a box of bandages to be sent soon to a leper colony in the Philippines. Mrs. Twyla Salvage and Mrs. Goldie Sowell were hostesses.
