

CHURCH NOTES**CAVE JUNCTION COMMUNITY CHURCH**

George H. Gray, Pastor
Sunday School at 10 a. m.
Morning Worship at 11 a. m.

S. S. attendance was 139. Birthdays were observed for Oris Seat, Donald Sherier, and Yvonne Smith. The faculty for the daily vacation bible school is almost complete. A record attendance is expected.

Rev. Gray took his text from Rom. 14:17— "For the kingdom of God is not meat and drink; but righteousness and peace and joy." Mrs. Custer of Klamath Falls sang "Sunshine Tomorrow." Of the several lovely floral bouquets one of the prettiest was the one of potato blossoms in a deep blue glass vase, arranged by Mrs. Mills, who has always had lovely corsages for all who arrived early for S. S.

A new group of college and high school young folks is being formed to meet on Thursday evenings at the church. This week the leader is Miss Becky Freeman.

At the Sunday evening service Rev. Gray and Mr. Drews sang a duet "When They Ring Those Golden Bells." Next Sunday evening Mr. Beard will lead a discussion on "Our Responsibility as Christians." It is Missionary Sunday and the Holy Communion will be administered at the morning service.

The missionary group met last week on Wednesday for an afternoon of business and pleasure, with no set program. The Town circle put on a clever skit with Mesdames Salvage, Hembree, Sowell and Hamilton participating. Mrs. Carothers gave a very original bit called the Group Gospel sheet, and there were other games and incidents related by a number of ladies. Refreshments of orangeade and cookies were served by Mrs. McDaniel and Mrs. Carothers. The July meeting will not be held and a picnic is scheduled for August. \$10 was voted to be sent to the leper colony at Cullion, P. I., where a fine Christian nurse is working and from whom a most interesting letter was read. A box of bandages and soap is soon to be sent to this worker, for use among the poor who are so needy. \$10 was also voted to be sent to a missionary group in Hawthorne, Calif., for work in China.

Visitors were Mrs. Marie Wilson of O'Brien, Mrs. M. L. Preston and her mother-in-law from Santa Monica, and her sister-in-law Mrs. E. H. Dennis of Modesto, Calif. Mrs. Wilson and Mrs. Preston became new members.

Mrs. Versteeg, Charles Jr. and Linda have been spending some time visiting relatives in Portland.

The activities of the daily vacation bible school were concluded on Sunday evening. The young people and children gave a program which partially represented the type of work they were engaged in while attending classes. Christian Science Lesson

"Christian Science" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, June 25.

The Golden Text was, "How beautiful upon the mountains are the feet of him that publisheth peace; that bringeth good tidings of good, that publisheth salvation" (Isa. 52:7).

Among the citations which comprised the lesson-sermon was the following from the bible: "The preparations fo the heart in man, and the answer of the tongue is from the Lord" (Prov. 16:1) together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The illuminations of Science give us a sense of the nothingness of error, and they show the spiritual inspiration of love and truth to be the only fit preparation for admission to the presence and power of the Most High" (p. 596).

GRANTS PASS

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is . . . **YES!**
NO!

Union leaders' answer to Board is . . . **NO!**

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 CENTS AN HOUR OR \$2.48 A DAY—although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified

In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:

Chicago Great Western Railway Company
Chicago, Rock Island & Pacific Railroad Company
The Denver & Rio Grande Western Railroad Company
Great Northern Railway Company
The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "No!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.
