**CHURCH NOTES**

**CAVE JUNCTION COMMUNITY CHURCH**  
George H. Gray, Pastor  
Sunday School at 10 a. m.  
Morning Worship at 11 a. m.

S S attendance was 128. Birthdays observed for Lloyd Sams, Bucky and Nettie Chamberlain. In the absence of the Supt. Mrs. Freeman, Mr. Beard took over.

The morning church service had Mr. McGee as the speaker, in preparation for the coming of the Daily Vacation Bible School, and he took for his subject "The Importance of Children's Work" and showed the great importance of reaching them while in the tender age of youth. He showed the results of the putting out of religious teaching in our public schools, and of the subtle move to undermine this teaching in many ways, by Communist groups and of how many are falling for this unwittingly, and of many places where all effort for religious instruction has been abandoned. Rev. McGee has the supervision of more than 100 schools in Los Angeles which are released for such instruction, and is being encouraged by a number of prominent men of that section who are alert to the dangerous trend of the times.

Mrs. Clara Dick sang as a solo "He Understands."

The enrollment for the Daily Vacation Bible school on Monday morning found the auditorium filled with eager children, of all ages, quite a few over 100 enlisted for the first day and others are to be enrolled during the weeks of the school. A splendid corps of teachers and helpers are giving their time for this work, Mrs. Don Wantland in charge of the music periods, and Mrs. McGee in charge of the hand crafts, many very lovely articles being made by the children. The closing program of the school will be held on Friday evening, July 21 when the parents and friends will want to see and hear the results of the two weeks school.

Next Sunday afternoon, at 2:30 in the Wonder church will occur the July "Singspiration" with a large attendance expected.

The Town Circle is meeting today (Thursday) at the home of Mrs. Twila Salvage.

The college study group which met last week at Rev. Gray's for swimming, weiner roast and study, included Diane Morey, Cecil Hawk, Bud Proctor, Ed Burton, Ray Mendenhall, Glenn Perry, Dick Cole, Christine Duncan, Paul Sherier, Becky Freeman and Bob McGuire. Mrs. Freeman presented the introduction of the study book. Raymond Mendenhall is to have the lesson this week.

Community Church is surely going to sustain a great and irreparable loss when Louise Hendrickson moves away, for she is one in a thousand.

**Takilma Revival Meeting**

Revival meetings are now in progress at Takilma with Sunday night marking the opening of the services. People were in attendance from different parts of the Valley. Many folks in the little town of Takilma have long desired some Gospel activity in their district and at long last their desire is being fulfilled.

A large tent has been pitched about seventy yards beyond the store in a grove of trees, which makes a beautiful setting for a revival meeting. It is being planned to have some afternoon meetings in the near future, so that when the hot weather comes you may be relieved of the heat in our Gospel park and enjoy the meetings at the same time. Tables will be erected in the grove so that you may bring your picnic lunch and stay for the evening service. Meetings will be conducted nightly by Evangelist pastor Wm. D. Peay and visiting pastors and evangelists from time to time. There will be two and three day camp meetings at intervals during the summer months.

Mr. Peay is trying to bring the best in evangelism and true fundamental gospel ministry to the smaller communities which are usually neglected at the praise of the larger towns.

**CHRISTIAN SCIENCE SERVICES**

Christian Science services are held every Sunday morning at 11:00 a.m., in the new edifice, corner of Palmer and Kerby Avenues, Cave Junction.

Sunday school at 9:30 a. m.  
A cordial invitation is extended to all to attend.

"Sacrament" was the subject of the Lesson-Sermon in all Churches of Christ Scientist, on Sunday, July 9.

The Golden Text was, "Search me, O God, and know my heart: try me, and know my thoughts: and see if there be any wicked way in me, and lead me in the way everlasting" (Ps. 139:23, 24).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Who shall ascend into the hill of the Lord? or who shall stand in his holy place? He that hath clean hands, and a pure heart" (Ps. 24:3,4), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christian Science brings to the body the sunlight of Truth, which invigorates and purifies" (p. 162).
