BARNES JEWELRY FIRM NOTED PIONEER STORE

When buying jewelry, whether it be humble cuff links or a diamond solitaire, the average citizen must depend upon the integrity and knowledge of his jeweler. Grants Pass and the surrounding trade area is indeed fortunate in having Barnes Jewelry Store a firm that has 49 years experience and a background of honest business transactions during that period.

The stock that is carried by Barnes Jewelry Store, 515 "H" Street in Grants Pass, is a well selected one, having been purchased with especial care for this trade area. In this the management has shown rare judgement and are rewarded today by public acceptance.

Included in their extensive line of jewelry is a large assortment of ladies' and mens' watches, rare and precious stones and one of the most complete lines of silverware available in this territory. This modern store at 515 H Street has served residents of Grants Pass and vicinity since 1904 and over that period has retained the original standard of furnishing the public with priceless gems and gifts at prices commensurate with the quality. The goodwill of all customers of Barnes Jewelry Store speaks well for the reliability of the management who so conscientiously serve their customers. Adv.
