## Christian Science Churches

"MIND" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, August 20.

The Golden Text was "Blessed be the name of God for ever and ever: for wisdom and might are his: . . . he giveth wisdom unto the wise, and knowledge to them that know understanding" (Dan. 2:20,21).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Let this mind be in you, which was also in Christ Jesus" (Phil. 2:5), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "With one Father, even God, the whole family of man would be brethren; and with one Mind and that God, or good, the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science" (p. 469).

## "Billy" Graham Coming

Early next month (date to be announced next week) there is to be a great rally in the High School Stadium at Medford when people from all the districts around will gather to hear this magnetic preacher. Many will go from Illinois Valley and singers will be wanted for the chorus choir.

Extensive preparations are being made and prayer meetings are being held. To this end "Willadora" has been opened for a morning prayer service for any who are able to come, at ten o'clock each day, except Saturday and Sunday.

Also Christian people are asked to observe a moment of prayer at that hour in their homes or wherever they may be.

## Missionary Society Notes

The Missionary Society of the Community Church had a very nice picnic at beautiful Grayback Park on the 16th of August with an attendance of fifty-five which included children and three men. Our own pastor, Rev. Gray and his wife were absent as they are on a vacation trip to Seattle, but Don Wantland of the Assembly of God in Kerby was a guest which made it very nice. Then we had also as men guests Glen Champney and Wilson Welch. Out of town guests were Mrs. Adelia McDonald of Grand Rapids, Michigan; Mrs. Mary Seat of Elsinore, California and Mrs. Lester Boling of Grants Pass. The day was spent in visiting, splashing in the creek and mostly "eating" and was enjoyed by all those present.

## SINGSPIRATION

The monthly "Singspiration" was held at the Selma Church with Rev. Jim Frost of Wonder in charge. There were visitors from outlying towns and representatives from all the churches in Illinois Valley who came to enjoy the music. Rev. Huss of the Gospel Tabernacle who has recently come here from Los Angeles, sang a beautiful song, accompanied by his wife on the Vibra-harp, and all the churches provided something in the way of solos, duets, quartets, etc. Although the weather was hot, all who were there felt the time was well spent. Rev. Louis Collins, who was a former pastor at Wonder delivered a short message.

Mr. and Mrs. Russell D. Holmes of St. Helens, Oregon announce the birth of a seven pound boy born August 10th. Mr. Russell Holmes is the brother of Harry Holmes of Cave Junction.
