State School Support has REDUCED PROPERTY TAX

Oregon state school support has brought outstanding benefits to Oregon's schools and Oregon property taxpayers. State support has played a vital part in providing needed equipment and supplying necessary teachers for Oregon's surging school population.

It has saved JOSEPHINE county property taxpayers \$2,007,306 in the past 7 years

To educate Josephine county boys and girls for the past 7 years required local property taxes of \$3,255,934. In addition, state school support from income tax sources supplied more than \$2,007,306. In other words, for every \$1.75 raised by local school district property taxes, another \$1.00 has come from state sources.

School population will double in 10 years

More state aid is needed to relieve rapidly increasing local district property taxes.

Birthdays were celebrated by Judy Bushman, Carmen Louise Ellers, Wendell Seat, Lylabell Cross, Verne Cady and Mrs. Ruby Nicholson.

Mrs. Eatherton conducts junior church Sunday morning at 11 o'clock. The children are enjoying their own worship period. Refreshments are served each Sunday.

Last Thursday evening the H. chorus met in the church recreation room. Christine Duncan was hostess. We invite other high school students to join us in "fun, food and song."

A large group from the Community Baptist church in Selma joined in the Bible study and discussion Sunday evening. These young folk added a great deal to the fellowship. A very hearty invitation is extended them to join us again soon.

Sunday evening Mrs. Pauline Sherier's Intermediate Young People had an attendance of 24. This is a live wire group of youngsters. They are planning to have a lot of fun in their meetings this fall.

Rev. and Mrs. George Gray are in Klamath Falls for a few days while Rev. Gray attends a min-

isterial meeting. The Grays are guests of Mr. and Mrs. Custer during their stay.

Invite you to the following services:

Sunday—
9:45 a.m. Sunday school.
11:00 a.m. Morning worship.
6:15 p.m. Crusader service.
7:30 p.m. Evangelistic service.
Thursday—
7:30 p.m. Bible study.

The Crusader services, under the supervision of the newly elected officers, are going to be greatly enjoyed by the young people who attend. The theme of last Sunday's service was "A Christian's Menu," and was planned by Miss Joan Yandell with several Crusader members participating. This Sunday is Crusader missionary time with Miss Roberta England in charge. The young people will present a missionary skit, and a missionary offering will be taken.

An item that will be of interest to the whole Valley is the probable return of Rev. Pat Malone. He is coming this time to the Community church and the meeting will last for one week. He has been working hard these past weeks to rebuild his stone display and, while it will not be as large as before, it will be very complete. The meeting will open November 5 and will last for one week. Help us show Pat our appreciation of his ministry by in-

viting our friends and families to meetings.

Sunday, October 29, will be "Round-Up Sunday" in the Foursquare Sunday school. If you have been absent from Sunday school during the summer months of vacation, it's time to settle down and get back into the "Sunday school habit." We have a Sunday school class for every age, whether you are a beginner or an adult, so we will look for you at 9:45 Sunday morning.

ASSEMBLY OF GOD

Kerby, Oregon
Rev. D. B. Wantland, pastor
We are pleased with the continual growth of our Sunday school. There were 92 last Sunday—those who were not here are extended a cordial invitation to come and help us go over our goal of 100 next Sunday at 10 a. m.
October 15 was set aside for

"Speed of Light." An offering of \$24.13 was taken and we are happy to have a part in helping to send the Gospel to the foreign lands.

The C.A.s are making future plans for their group which will interest young people. Be sure to come and help our young people's group grow. Services at 6:30 p. m. Sunday.

The Women's Missionary Council has been busy sewing garments to be sent in a Christmas box. The package will go to an orphanage in Alaska. We meet every other Wednesday for an all-day session and each alternate Wednesday for the afternoon. If anyone has any clothing you wish to give away, we will put it to good use. It must be clean before we can accept it.

Don't forget, men, Friday is work night for getting the much-needed Sunday school rooms finished. Ladies will sew.

Christian Science Churches

"DOCTRINE of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 15.

The Golden Text was, "Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins" (I John 4:10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Set your affection on things above, not on things on the earth" (Col. 3:2), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love" (p. 18).
