## CAVE JUNCTION COMMUNITY CHURCH

George H. Gray, Pastor  
9:50 a.m. Sunday School.  
11:00 a.m. Church service; and Junior church, Mrs. Eatherton leader.

7:45 p.m. Evening service and auditorium; and Junior and Intermediate group, Mrs. Sherier leader.  
7:45 p.m. Wednesday, prayer and teachers' meeting.

The Sunday school attendance last Sunday was 134. Mrs. Ruby Nicholson's "Junior Boys and Girls" proved to be the "banner" class with the largest attendance. The Beginners class is very close in the race. Look out you Juniors.

Birthdays were celebrated by Mrs. Gray and by Jon and Judy Collman.

Much interest is being shown in the "released time program" conducted by the churches of the Valley. Last Tuesday 225 children attended. A planned program of Bible study is conducted by teachers from the Assembly of God, the Gospel Tabernacle and Community church. This is a splendid opportunity for the children of the Valley to get Biblical training. Each session is opened with a lusty song service.

We are proud of our new Knight amplifier. Twin trumpet speakers have been installed on the roof. This new equipment includes a Webster-Chicago three-speed record changer. Each Sunday morning we will use it for chimes. Later we expect to have some very fine Christmas carols for the holiday season.

The new pianist for Sunday school is Lylabell Cross. If last Sunday was a sample of how well Lylabell plays, we are indeed fortunate to have such a talented musician among our young people.

Visitors this week were Mrs. Joe Morris, Mr. and Mrs. Garland Benge and Rev. Louis Collins.

A fellowship dinner is being arranged by the Town circle for the second Thursday in November. All members and friends of the church will be cordially invited.

Rev. Rosalie Huss, co-pastor  
Invite you to the following services:

Sunday—  
9:45 a.m. Sunday school.  
11:00 a.m. Morning worship.  
6:15 p.m. Crusader service.  
7:30 p.m. Evangelistic service.

## Thursday—

7:30 p.m. Bible study.  
Attention young people: The Foursquare Crusaders invite you to a masquerade party they are sponsoring for young people on Halloween night, October 31. The party will be held at the Woodland Inn, on the Redwood highway, 1 1/2 miles south of Cave Junction. The Crusaders invite you to come at 7 p. m. and visit the "Chamber of Horrors," which will be followed by games, entertainment and refreshments for all. A door prize will be given for the best costume.

Don't forget that Sunday is "Round-Up Sunday" in Sunday school. Our superintendent, Mrs. Yandell, has a birthday this week and we wish to present her with a record attendance in Sunday school. You come and help us wish her a happy birthday.

For those who are not Crusaders, age, and will be free on Halloween night, we invite you to attend the sacred concert, featuring Einar Waermo, tenor and Einar Ekberg, baritone, with Eric Froberg, pianist, at the Assembly of God church in Grants Pass. If you enjoy good sacred music, this is something you cannot afford to miss.

## Christian Science Churches

"PROBATION after Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 22.

The Golden Text was, "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him" (James 1:12).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me" (Ps. 23:4), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Death will be found at length to be a mortal dream, which comes in darkness and disappears with the light" (p. 42).

## BERTIN HAMMER

Funeral services for Bertin Hammer, who was accidentally killed Tuesday evening, will be held at 2 p. m. Friday in the Cave Junction Community church with Rev. George Gray officiating. Mrs. Glen Perry will act as soloist and organist.

Mr. Hammer was born in Mamsos, Norway, on March 2, 1870, and is survived by a sister, Mrs. Thale Swanson of San Francisco, and a nephew, Carl Hammer of Cave Junction.

Funeral arrangements are being handled by Britt Funeral home of Cave Junction.

## Interest in Bible Meetings Continues

The meetings being held in the Johnson building are still well attended, indicating a continual interest in the Holy Bible. Evangelist J. H. Apigian brings forth the truth from the Bible for these perilous times in a striking, yet simple, way so that anyone may understand what condition the world is leading to.

In his sermon of last Thursday evening on why he believed the Holy Bible, he pointed out that every automobile, every airplane, every invention of every kind, the increase of all knowledge, yes, even the person that doubted the Bible is the Word of God, all prove that the Bible was inspired by a Being that knew the end from the beginning. Why? Because all those things were foretold in the Bible.

Sunday evening's subject was of great interest to all. The Battle of Armageddon as pictured in the Bible, the greatest battle of all times, to be fought in the valley of Gogmagog, where the East meets the West. Every known device of destruction and bloodshed would be used in this battle. Then Christ, Himself, with the holy angels, would step in and put an end to the battle.

The glorious appearing of Jesus the second time was the theme of the sermon for Tuesday evening. His second coming is sure as the Bible deals with it. In the New Testament alone one verse out of three bears out a thought of His return. And when He comes again He will put an end to all sickness, suffering, and death. He will come so all people can see Him come. "As the lightning cometh from the east and shineth unto the west, so shall the coming of the Son of Man be." Matt. 24:27. He will not come to some secret place, but will be visible to all.

Evangelist Apigian brings these Bible truths in a clear, simple way that all may understand. Those who have attended the meetings have received much courage as they face the troublous times in the world today.

## Outstanding Economy

one more reason why  
John Deere is first choice  
of the tractor-wise!

Ask any owner what he likes best about his John Deere Tractor. Sooner or later he'll stress the remarkable economy. It's more than a claim; it's economy you can measure in dollars and cents.

You get greater fuel economy with a John Deere. The cyclonic-fuel-intake engine assures better combustion, increased efficiency. In addition, the John Deere has more built-in weight. Heavy engine and transmission parts are located well toward the rear to provide better traction and prevent loss of power and fuel through excessive wheel slippage.

Maintenance expense is less because there's less to go wrong with a John Deere. Exclusive two-cylinder design greatly reduces the number of parts. Remaining parts are larger, heavier, stronger. As a result, trips to the repair shop are few and far between... much less costly when you own a John Deere.

In addition, John Deere Tractors offer:

- GREATER DEPENDABILITY
- LONGER LIFE
- GREATER COMFORT
- OUTSTANDING QUALITY
- EASIER HANDLING
- EASIER MAINTENANCE
- COMPLETE INTEGRAL EQUIPMENT
- UNEXCELLED VIEW
- GREATER ADAPTABILITY
- HYDRAULIC POWR-TROL
- ROLLO-MATIC
- LUGGING POWER

BALANCED PLAN  
314 X YES!

Where would Oregon and the less populous Western states be today had not the U.S. Constitution wisely provided a national BALANCED PLAN, giving each state two senators and apportioning the House by population? The Oregon Balanced Plan follows the same time-tested American principle.

TAKE APPORTIONMENT  
OUT OF POLITICS

Don't be misled by special interests who hope to control the legislature for their own selfish ends. The Balanced Plan is endorsed by... Oregon Journal, Oregon Voter, Oregon Farm Bureau Federation, Young Republicans, League of Oregon Counties, Pomona Grange, Oregon Wheat Growers and forward-looking members of both major political parties.
