George H. Gray, Pastor  
9:50 a. m. Sunday School.  
11:00 a. m. Church service; and  
7:45 p. m. Evening service and  
auditorium; and Junior and Intermediate group, Mrs. Sherier leader  
Junior church, Mrs. Etherton leader.

Rev. Gray took for his text Sunday morning Isaiah 55:1 "Ho everyone that thirsteth, come ye to the waters, and he that hath no money; come ye, buy and eat; yea, come, buy wine and milk without money and without price."

Mrs. John Dow sang "Have You Counted the Cost?" and at the close of the service Mrs. Marvin Cross sang "Dear To The Heart of the Shepherd."

There were a good many visitors, including Mr. and Mrs. John V. Schreiber and family of Bagdad, Arizona; Mrs. Gay Smith and son Keith of Cave Junction and her friends Dorothy, Clara and Shirley Phillips of Long Beach; Buddy Ball of Wilmington, California; Mrs. Keith Owens and her parents Mr. and Mrs. George R. Houck of Klamath Falls and Mrs. Jessie M. Leonard of Grants Pass, formerly of the Valley.

The colored picture which was shown in the evening brought out a large attendance from the different church congregations of the Valley to see the pictures of Indians of Peru and Mexico as they live in their primitive state, and then showed the marvelous contrast after they have become Christians, and have learned to read and live the lives of more normal, civilized and reformed creatures, and the supreme sacrifices of the missionary teachers and doctors who go to them with help and vision and modern conveniences.

**Sunday School News**

Sunday school attendance was 129 last Sunday. Services began with Mrs. Cross leading the singing and Roberta Hilliard and Georgeann Hicks led a special number. No report was given on the Holy Land cruise.

Sunday school begins at 9:50 and everyone is welcome.

**A New Church For O'Brien**

For about a year and a half there has been a Sunday School work and some church services held at the school house in O'Brien under the leadership of Arthur Drevs and Leonard Beard of Cave Junction. It has been their desire to build a church there; a building site has been donated as well as lumber and other building materials; so since much interest is being shown in the project, the work is going forward, with services to be held in a tent until the building can be completed.

Recently the Friends church group of Salem and Medford has become interested in this work and after several consultations with the folks here and church officers and investigations in this field, Rev. Orrin Ogier, Friends minister whose home is now in Gladstone, Oregon, has felt the call to come here to serve. On July 29 he held services at the school house, preaching to a fair sized and appreciative audience.

Rev. Ogier is a very earnest and personable young man, trained at the Friends Seminary in Newburg, Oregon and with his wife and two young sons will return the latter part of August to make his home and begin his ministry in O'Brien. Until then Sunday School will continue as usual.

**Christian Science Churches**

"TRUTH" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 29.

The Golden Text was, "We have a strong city; salvation will God appoint for walls and bulwarks. Open ye the gates, that the righteous nation which keepeth the truth may enter in" (Isa. 26:1, 2).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Lead me in thy truth, and teach me: for thou art the God of my salvation" (Ps. 25:5), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Mortals try to believe without understanding Truth; yet God is Truth" (p. 312).

Ronie Holzhauser has purchased the lovely home of the Boucher's and will soon move into it, while the Boucher's are in another of their homes on Redwood heights.
