CHRISTIAN SCIENCE CHURCH

THE Biblical narrative of the deliverance of the Israelites from the host of Midian was read in detail from the book of Judges in all Christian Science churches Sunday, January 27. It formed the basis for a consideration of the theme set by the Golden Text, "Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free" (John 8:31, 32).

Among the citations read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which applied the story of Gideon to the present world situation, was the following: "The history of our country, like all history, illustrates the might of Mind, and shows human power to be proportionate to its embodiment of right thinking" (p. 223).
