Sunday school was held as usual with the largest attendance present of any time during the winter months. Four visitors were present. Morning services were conducted by Rev. Kelly of Grants Pass.

Rev. J. B. Millard, general Baptist missionary of the Pacific northwest will be in Cave Junction for Sunday services on February 17. All Baptists and their friends are asked to remember this date and attend the service. At that time plans will be discussed for organizing a Baptist church in Cave Junction.

Ever since the first meetings held last April this has been a mission sponsored by the Fruitdale Baptist church. Interest has grown to sufficient number of members to organize a church here. Plans will be discussed also at that time for securing a building, or for getting ground to build a church in Cave Junction.

Evening service, 7:45 p. m.
Prayer meeting, Wednesday at 7:45 p. m.

Members of the American Legion and Auxillary were guests at the morning worship service. The national commander, Donald R. Wilson's letter to all posts was read, in which he urged all true Americans to go to church and to turn again to the Bible and its teaching, that America might have a real spiritual awakening.

Rev. Kroon in response to this letter brought a very challenging sermon to the congregation, using 2 Chronicles 7:14 as his text, and for the subject of the sermon, "God Has the Answer to Every Problem."

The adult choir sang "There's No Friend to Me Like Jesus," and Lois Spencer sang "Just for Today." The children and adults were much interested in the continued story of Samuel J. Morris.

Sunday school attendance was good, and little Randy Jean Costello brought pennies for her birthday offering. While the offering was being taken, Mae Bowerman played a flute solo which was enjoyed very much. A lesson about the twelve disciples was illustrated by boys of the Sunday school.

Special mention was made of the replica of the parsonage which David Sanders made in which to place offerings for the reduction of the debt on the pastor's home. The chimney is large enough for any sized gift.

Announcement was made of the Sunday school convention which is to be held in Central Point on Friday evening and all day on Saturday at the Community Bible church. All those interested in Sunday school work are urged to attend. Transportation will be furnished, call 6902. The date is February 8 and 9.

Sabbath School 9:30
Church service 11:00
Prayer meeting Wednesday.

There were no church services held here this week due to the fact that most of the members attended the church officers meeting held in Grants Pass. Those attending the meetings found them to be of great value in helping to organize the officers of the church.

Elder C. J. Ritchie, Sabbath school and temperance secretary of the conference, was in charge of the sermon. His main topics were on the Sabbath school and the part it has in the church, and why we should love and work with one another.

At the 2:30 meeting Elder D. N. Reiner, home missionary and press secretary was in charge of a general discussion of all the offices in the church. After the discussion, the different officers met in groups and asked questions on points that were not clear to them.

A luncheon was served to the visiting delegates at 6 p. m. by the home and school department.

The evening meeting consisted of a round table discussion on the marks of a dying church. To close the program a moving picture sponsored by the Signs of the Times was shown. The picture showed how others may be won to Christ through the giving out of signs.

The review was lively as Mrs. Boss led by giving a symbol for each memory verse, expecting the class to quote the proper verse giving the reference. The lesson was "Christ the Living Water," from John 7:37.

"The Fear of God produces Obedience" was the subject of Rev. Boss sermon. Mr. and Mrs. Frank Hutchason of Eugene, and Frank Dailey of Green Springs, Oregon, were visitors at the church services.

CHRISTIAN SCIENCE CHURCH

THE Golden Text for the Lesson-Sermon "Love," which was read in all Christian Science churches, Sunday, February 3, was from I John, "We have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him" (4:16).

The sermon, which was comprised of citations from the Bible and from the Christian Science textbook, "Science and Health with key to the Scriptures" by Mary Baker Eddy, included the following: Psalms: "How excellent is thy loving kindness, O God! therefore the children of men put their trust under the shadow of thy wings" (36:7). Silence and Health: "Divine Love is infinite. Therefore all that really exists is in and of God, and manifests His love" (p. 340).
