

BURIED ALIVE—Christian missions in Nigeria are bringing a chance for life to little waifs like Teddy. Rescued from a trash heap, in which he had been buried alive, this youngster is healthy and happy today, thanks to good nursing at the Seventh-day Adventist hospital and the love of his foster mother, a native pastor's wife.

Series Of Lenten Sermons F. O. E. Activities At Community Church

Rev. Paul O. Kroon, pastor of the Cave Junction Community church announced this week his sermon topics for the next four Sundays of Lent. Next Sunday March 9 the title of his message will be "A Great Invitation Refused;" March 16, "Three Great Parables;" March 23, "The Shadow of the Cross;" and March 30, "An Unlikely Convert."

These sermons will be based on the teachings and ministry of the Lord during the last weeks of His earthly life. They cover a wide range of thought and will be a challenge and inspiration to all.

Rev. Kroon pointed out that this is the season of the year when a special effort should be made by all to attend church, and that during these days of international and national problems, there is a great need of seeking God for guidance and wisdom.

"This is your opportunity," he said, "don't miss it. Remember you need the church and the church needs you."

Cub Scout Activities

The annual Blue and Gold Cub Scout banquet was held last Friday night at the Kerby school. Guests for the evening were Mr. and Mrs. George Morey, Ralph Huber and Commander James E. Brennan and son Jim.

Mrs. Don Rosenberg's Den 6 won first prize for the best table decorations. To Mrs. Everett Skeeters' Den 1 went the banner for the most parents present. This banner will go each month to the den with the largest percentage of parents out to the pack meetings.

Advancement awards were presented to Richard Rauber, Ronny Renfro, Arthur Desaulniers, Ronald Tresham and Melvin Rigdon.

Cubmaster Mel Rigdon is sorry to report that Den 3 at Kerby will be disbanded unless a den mother can be located to take over its leadership.

Easy-going religion makes the going easy for the devil. The devil is an artist, he paints sin in very attractive colors. You can't walk with God while you are running with the devil. We will be looking for you at the Baptist church next Sunday. 46-1tc

The youth program of the Eagles is progressing very well and attendance continues to increase with each session. Ken Mann has been kept busy teaching the fundamentals of tumbling to a big class of boys and girls. Additional instructors are urgently needed and anyone wishing to participate is welcome. Present arrangements are for the children up to 14 years of age to meet on Tuesday evening and those over 14 years will meet on Thursday.

Jack Cooke, Gilbert Wright, Dr. Versteeg, Don North and Harold Smid were initiated into the Fraternal Order of Eagles last Friday night during a meeting attended by State President Jack Henry. Several visitors from Klamath Falls, Medford and Grants Pass Aeries also attended the local meeting.

Worthy President Hal Moore of Oregon Caves Aerie No. 3055 announced the appointment of E. V. Cooke as freedom director of the local Eagles. Mr. Cooke will have charge of the Eagles' program to disseminate information aimed at combating communism.

Mr. Moore revealed that Eagle Aeries throughout the country will join together in an anti-communistic program keyed by the phrase "Help Freedom Ring 'Round the World." Heading the program, an international director of the Eagles' freedom committee, is Past Grand Worthy President Robert W. Hansen, of Milwaukee, Wisconsin. The international committee will supply program suggestions and informational material for use by Eagle groups throughout the United States and Canada in the fight against communism.

Said Mr. Cooke: "Eagle freedom programs will be grassroots action against the threat of communism. It is our feeling that if clear-cut ideas are suggested for action against communistic infiltration, great strides can be made. Local action is the basis of the fight and the Eagles plan to carry on the fight at the local level."

Eagle Aeries throughout this country and Canada will join with other cooperating agencies in the fight against communism, according to Mr. Cooke.

Sunday school will now start at 9:45, and some folks will have to set their clocks ahead five minutes in order to arrive on time.

A special effort will be made to start the morning church service promptly at 11. With the large Sunday school attendance, it seems best to allow a few more minutes to get settled for the church service.

The Sunday school children are attending the morning church service in increasingly large numbers. The story of Samuel J. Morris, being narrated by Mrs. Kroon is so interesting that no one wants to miss a single chapter.

The Sunday school visitors were Vicki Lynn Miller, Mrs. Castleberry, Richard and Michael Burnett. Ronine Rausch received the award this week for bringing the most new members.

The Junior choir under the direction of Mrs. Reineohl, sang "Living for Jesus." It is gratifying to see the interest that is being shown in this group.

An interesting object lesson was presented by Mrs. Hilliard. She spoke on the subject of "People and Pocket Knives."

The morning service was well attended. Fifty new hymnals have been ordered so that each person present will have a book.

Rev. Kroon took his message from the 18th chapter of Ezekiel. (Verses 25 through 30). The central theme being "Repent, and turn yourselves from all your transgressions."

Mrs. Dow sang "Great is Thy Faithfulness."

The teacher training class met again last night (Thursday).

The congregation was happy to welcome Rev. and Mrs. Gray home again. They reported that they had a very pleasant trip.

YOUNG PEOPLES' MEETING

On Sunday evening approximately thirteen young people were present at a most enjoyable evening of worship with Mrs. Kroon as director.

The evening's program was planned by Don Preston. Larry Sanders was master of ceremonies, while Marilyn and Dick Masters spoke concerning the Trinity.

A few plans were made for a social gathering later this month.

All young people of high school or college age are invited to attend these young people's meetings.

FIRST BAPTIST CHURCH of Cave Junction

Rev. Don Bowers, pastor
Sunday school, 10 a. m.
Morning worship, 11 a. m.
Place of meeting, American Legion hall.

Last Sunday was declared the most outstanding meeting that has taken place in the Baptist organization here since it was established less than a year ago as a mission sponsored by the Fruitdale Baptist church.

Sunday school was held at the usual hour in the Illinois Valley Grange hall. The congregation was happy to welcome Sandra Slack of Kerby and Mr. Kolher of Bridgeview for the first time Sunday. Next Sunday services will be resumed in the Auxiliary room of the American Legion hall, with Sunday school at 10 a. m., with preaching to follow. All Baptists and their friends are urged to attend these services. It is hoped that plans may soon be formulated to carry on a contest with one of the associated churches.

Last Sunday was the fellowship dinner for all Baptists and their friends, to which the Cave Junction church played host. A large delegation from the Calvary Baptist church of Ashland, headed by their pastor, Rev. Findley, who led the song service attended. From the Temple Baptist church of Medford came 32 of their members. The Men's Brotherhood represented their pastor, who was unable to attend. A beautiful rendition of the song "Stranger of Galilee" was sung by Mrs. Frank Timmons of this church. Rev. and Mrs. Troy Kelly were out from the Fruitdale church, as well as the pastor and his family of the Baptist church in Crescent City.

After the words of welcome that were given by Rev. Don Bowers, pastor of the local church, a pot-luck dinner was enjoyed by all present. Everyone then assembled in the lower hall for the afternoon service. By actual count the original attendance goal has been reached, and a new mark has been set.

On March 20 Rev. C. J. Millard will be in Cave Junction for a meeting. He is traveling missionary and church organizer for the Baptist denomination in the Pacific northwest. Plans are also being made for a big song service for all Baptist churches of the Siskiyou association, with a sack lunch at noon. This church will no doubt play host again for the service. If it proves to be popular it may become a monthly event among the different churches. Plans are being discussed for organizing a youths' organization here to which any young person, regardless of church affiliation, may belong.

Everyone is invited to attend any or all of the Baptist services.

CHRISTIAN SCIENCE CHURCH

THE Scriptural citations in the Christian Science Lesson-Sermon for Sunday, March 2, on the subject, "Christ Jesus" concluded with these verses from the First Epistle of John: "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him. And we have seen and do testify that the Father sent the Son to be the Saviour of the world" (4:9, 14).

References from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy emphasized the need for practical proof of Christian discipleship. "Jesus established what he said by demonstration, thus making his acts of higher importance than his words. He proved what he taught" (p. 473). "His consummate example was for the salvation of us all, but only through doing the works which he did and taught others to do" (p. 51). The sermon concluded with the searching question, "Who is ready to follow his teaching and example?" (p. 54).

Christian Science Services

Christian Science services will be held every Sunday morning at 11 in the church edifice, Kerby avenue and Palmer drive.

Sunday school convenes at 9:30 a. m. for pupils up to 20 years of age. Everyone is welcome.
