

SATURDAY

"The Tall Target" proves that fact is stranger than fiction. Based on a startling and little-known historical fact, this M-G-M film, coming to the Ivy screen, provides one of the most suspenseful and breathtaking mysteries of the year. It deals with a much-disputed page from American history, one that tells of a plot to assassinate Abraham Lincoln enroute to Washington for his inauguration.

The drama stars Dick Powell, and Paula Raymond.

SUNDAY And MONDAY

It's the fourth time together for June Allyson and Van Johnson, who team romantically in M-G-M's new comedy, "Too Young to Kiss," this Sunday.

TUESDAY And WEDNESDAY

An always interesting, and often exciting, drama of revolutionary intrigue at the Court of Naples in 1799, with some dramatic fights and swordplay. Louis Hayward and Binnie Barnes co-star in "The Pirates of Capri".

Also showing, William Boyd, as Hopalong Cassidy, in "Sinister Journey."

THURSDAY And FRIDAY

Murder, espionage and treachery behind the Silken Curtain of present day China are some of the exciting ingredients that serve to spice Paramount's "Peking Express," the attraction opening on the 17th at the Ivy. Enacting this rousing adventure are stars Joseph Cotton, Corinne Calvet, and Edmund Gwenn.

GIRL SCOUTS ARE MAKING EASTER DRESSES

This week we had a visitor, Patty Chappell. We are looking forward to having another scout skating party.

We also are planning on having a girl scout dance which the boy scouts will be invited.

We are making our Easter dresses and skirts.

Barbara Farmer got hungry and adjourned the meeting.

How To Build "Hog-Operated" Door To Feeding Lot

Here's a time-saving idea if you're feeding hogs and cattle in adjoining lots. This swinging door lets hogs get into the lot without opening gate.

For controlling sheep ticks, and lice and fleas among hogs, horses, and cattle, use Standard Dip and Disinfectant. Directions on label give strength of solutions that should be used on different animals.

For general sanitation around the farm, we suggest Standard

Super Germite. It's a fine disinfectant, deodorant, and antiseptic. Nine times stronger in germ-killing than carbolic acid. Call us about these products today. Fast service is the basis of our local business.
