PTA Turns Scrap Paper Over to 4-H

PTA members were reminded of the school budget election today, (Friday) at the regular high school PTA meeting April 24.
Following a report on the scrap paper drive it was decided to turn the PTA's share of papers collected over to the 4-H clubs for their current drive. The senior class, which was cooperating with the drive, will receive cash for their half of the paper collected.
Harold McAbee, principal of Illinois Valley High School, expressed the need for housing for several of the teachers. Anyone having houses or apartments for rent are asked to notify him.
Mrs. England, in charge of the evening's program, presented several musical numbers. Grace Downing gave a report on State PTA convention held in Pendleton last month.
Next regular meeting will be a potluck dinner at 7 p. m., May 22.

The Nature Hike
by Philip Leveton
Monday we went down the field on a Nature hike. On the way we named trees and bushes.

When we got there Jack and Ken, Bob, James and I swung on branches of some trees that had fallen last winter. I climbed a fir tree.

Dean found the skin and bones of a baby black bear that had died last winter.

Then Dean and Breita got some dog wood.
James and Bob got some little fir trees and replanted them here.
On the way home Dean found a gopher snake and picked him up so we could see it.

The Nature Hike
by Jack Casey
Yesterday afternoon all the boys went on a Nature hike down to the woods.

We explored the woods and saw all kinds of trees and flowers. We learned the names of the trees and flowers.

We saw an old tree that the wood peckers pecked at.
Some of the boys climbed trees while the rest of us explored the woods.

We found some lovely dog wood and brought some back with us.
We saw a gopher snake and talked about what they do.
