## GRANTS PASS MAN JOINS TAXPAYERS' GROUP URGING "NO" VOTE ON RACING BILL

ELLOT WILSON

SAYS:

"Vote No on the Racing Bill"

"Here's why we can't afford to lose pari-mutuel revenues:

"(1) Taxes would go up. Next year the State Treasury would lose roughly \$1,000,000 in pari-mutuel revenue. We taxpayers would have to make up the loss.

"(2) The fairs will suffer and may die. Our 36 county fairs depend to a large extent on pari-mutuel funds for existence. They'll each lose an estimated \$12,500 annually if racing is abolished.

"(3) Oregon and its 36 counties receive more than eight (8) times as much as the track stockholders are paid in dividends. That's not unreasonable. In addition, official records and audits show that over 98% of every wagered dollar that produces this revenue, remains here in Oregon.

"Joining me in this opposition are 37 responsible men representing every county in Oregon. Our Taxpayers' Committee to Retain Pari-Mutuel Revenues is composed of ranchers, businessmen, farmers and civic leaders who realize pari-mutuel funds make a yearly contribution to the tax and economic structure of our state."
