Speed Overhaul Jobs With Homemade Piston Cleaner

If you do your own main-
tenance on your car, you may be
interested in making this little
gadget we heard about.
It makes the scraping of pis-
ton ring grooves fast and easy.

Of course, you won't have to
worry about this job if you use
Heavy Duty RPM Motor Oil.
First oil developed through
atomic research, it reduces en-
gine wear, greatly increases
time between overhauls, keeps
engines clean and protected
against the formation of car-
bon deposits, acid, corrosion,
rust and varnish.

Call us about it. Fine products
like this plus faithful service
are the mainstays of our local
business.
