A better deal because...

Every Chevrolet truck is factory-matched to the job—with the right power, the right capacity, right engine, transmission, springs, axle, and tires to do its work at the lowest possible cost.

Come in and see for yourself what a wonderful deal you'll get with a great new Chevrolet truck.

A better buy because...

THEY LIST FOR LESS
Production economies, possible because Chevrolet is the world's largest truck manufacturer, let Chevrolet trucks list for less than comparable models of any other make.

LOWER OPERATION AND MAINTENANCE COST

Valve-in-Head engine design; strong and sturdy Hypoid rear axles; Flexi-Mounted cabs; rigid, channel-type frames; single-unit rear axle housings; Unit-Design bodies and many, many other features reduce costs and increase the life of your Chevrolet Advance-Design trucks.

TRADITIONALLY HIGHER TRADE-IN

Chevrolet trucks keep their value longer—proof of the greater value built into Chevrolet trucks and a wonderful plus at trade-in time.
