

**INDIAN SUMMERS**

By Jay Ganschow

**Visits New Grandson**  
Mrs. C. E. Burton returned home from Chiliquin where she had been for a week visiting her daughter and family, Mrs. M. E. Barrett, and seeing her new grandson. She brought home with her two of her other grandchildren.

**BACK FROM CORVALLIS**  
Ranger Harold Bowerman and Resident Soil Conservationist Loyd Burnett returned this week from a forest soil short course at Oregon State. Bowerman drove on up to Portland Saturday on personal business.

**March-Baxter Rites Performed**

Mrs. Helen Bottel (Leave News at O'Brien Store)

O'BRIEN—Helen Louise March, daughter of Mr. and Mrs. Henry T. March, who operate the Siskiyou Mt. Cafe, was married Nov. 8 to Galen Leland Baxter of Eureka. Families and close friends were invited to the ceremony which took place at the parsonage of the Seventh Day Adventist church in Grants Pass with Rev. Keesee officiating. The couple is spending a week in San Francisco and will return to Eureka where Mr. Baxter is employed by the Mercer-Frazier co. They plan to make their home in Grants Pass after Christmas.

The rains came, the smog lifted and whadda you know—it's still O'Brien and not, as we feared, the last outpost of greater Los Angeles.

Smog or no smog, however, O'Brien moppets kept beating the bush until the Monday deadline for PTA members and piled up the amazing score of 105 joiners for their 80-pupil school. As has been proved with cereals and Hopalong Cassidy, the kids are the best little chain reactors since the atom bomb.

Winning room was Mrs. Norma Burrow's first and second grades with 55 members for 33 pupils. Twenty-eight of these were parents and the remaining 27 community members who are interested in supporting the PTA. First grader Jeannie Rodgers brought in 10 members for the highest score in her room.

The 23 pupil third and fourth grade room and the 24 pupil fifth and sixth grade room were a near tie with 30 and 32 members respectively. Twenty-four of these were parents. The number of parent and non-parent members may indicate that the PTA year's goal—to create better community spirit through close teacher-parent-child cooperation—is being achieved.

Sixth-grader Carma Lewis and third grader Roddy Bottel lured most members to their two rooms.

The discrepancy in total number of members and sum of members brought in by separate rooms is accounted for by the fact that some parents have children in more than one grade and were counted in two or three rooms.

Plans are now going forward for the "Win or Lose" banquet on Nov. 20 honoring the winning room. All O'Brien PTA members and children are invited, with the PTA furnishing turkey and coffee.

**Plastics Course to Be Started Soon**

A ten weeks course of instruction in making articles from liquid plastics is to be offered to the public before Christmas with Mrs. Dan Rigel as teacher.

Sponsored by Mrs. Cribb, teacher at Kerby Grade school, the course will be open to adults and high school students and will be taught in the science room in Kerby school.

Also offered will be one lesson each on liquid glass, wood casting, creamics, making creamic flowers with molds, metalizing, creamic basketry and percelizing. The latter art involves making articles from wood or paper that are indestructible.

At least one class will be held in the evening.

Interested persons are asked to contact either Mrs. Cribb at Kerby school or Mrs. Dan Rigel, Rt. 1, Cave Junction.

The losing two rooms are asked to bring potluck to supplement the main meat course and each person will supply his own plate, cup and utensils. Invitations have been issued and must be in by today (Friday.)

Word reached here last week that Helen Enyart Musselman, formerly of Kerby, and Eddie Musselman whose sister, Mrs. Floyd Owings, live in Cave Junction, are honeymooning in San Francisco. The couple will visit relatives here including Mr. and Mrs. Lasil Enyart before returning to their home in Alturas.

Mrs. Robert Hines has recently taken a position as secretary at the Cave Junction High School.

Here to spend Thanksgiving with her sons, Karl and Merle Preston and their families, is Mrs. Blanche Preston of Santa Monica.

Mrs. Rose Wieting of Siskiyou Mt. Camp left last week for a visit with friends in Los Angeles. Her sister, Mrs. Blanche Will accompanied her.

**Social Night Honors District President**

A social meeting of the American Legion Auxiliary Nov. 19 will honor the district no. 4 president Ethel Hamilton and will be "Gifts for the Yanks" night it was announced at the regular business meeting Nov. 4.

Gifts donated by members and friends of the Auxiliary and collected at this meeting are for the veteran hospital patients to give their immediate families at Christmas time. They can be presents for their wives, or children of any age. Gifts can be donated by non-members of the Auxiliary by either contacting any member or by attending the Nov. 19 meeting.

The Auxiliary members were guests of honor at the Armistice Day dinner prepared by the Post and presided over by Post Commander Tom White. A roast turkey "and all the trimmings" dinner was served to a large crowd.

**Lions to Visit with Crescent City Club 6th**

Members of the Illinois Valley Lions club were reminded of the coming visit with the Crescent City club at Patrick's Creek Dec. 6, when they met at the Todelope Tuesday night at 8.

Reservations for this ladies' night affair must be made now with secretary Laurence Cushing, President Hal Moore Jr. announced.
