M. E. Church Notes

"For God sent not the Son into the world to judge the world; but that the world should be saved through him." John 3:17.

Some of our people have the lagrippe.

The official board met at the church Monday night with a fair attendance. The new system of bringing up all business every month is bound to bring results.

Cottage prayer meetings will held Thursday evening at the homes of Sisters E. C. Allen and M. J. Quick. Let everyone come and receive the blessing.

Next Saturday is the day set to put the parsonage yard and garden in proper order for spring planting. The Baraca boys with horses, plows and spades are the powers that be. There will be something doing especially along about 12 o'clock noon, when the Philathea girls begin to serve the cats. Bro. E. B. Penland will be the artist in charge.

The regular monthly business meeting and social of the Epworth League will be held at the League room Tuesday evening, February 6th. All members and friends are invited to come.

Church of Christ Notes

Christian Endeavor Day will be observed at the Christian Church next Sunday evening at 6:30. Everyone is cordially invited to attend this service, consisting of inspiring music, instructive talks and a very unique sketch, or dialogue, given by seven of the young people. Come and enjoy the hour.

The Cost of Un-prepared-ness

Ask yourself—"What is a lack of training costing me each week? How much less am I earning than I could earn as a trained worker?" Look about you—see those who occupy the more responsible positions. Then, answer your question. And that answer will be the COST OF PREPAREDNESS.

YOU MUST DECIDE NOW

And now—before you are a day older—you should decide whether you are going to go on—year after year—paying the price—seeing the trained man or woman take the place you should have—
Or—are you going to prepare now to hold a bigger job? Are you going to get the training that makes for success in business.

Which Can You Afford

You cannot afford to resign yourself to a career of tedious toil—poor pay—and possible oblivion—when a few months' training will take you out of your small job.

You cannot afford to work always at a meager wage when a small investment of time will prepare you to serve the biggest men in business—where you will be first in line for the better positions higher up.

So make up your mind now that you will prepare to take your place beside the hundreds of other bright young men and young women who have come here.
