SOME call these face-stuffers hogs, some call them gophers. But they are getting scarcer and scarcer since gentlemen found out about W-B CUT Chewing. There is no excuse for a man making a monkey of himself today. The fine *rich tobacco flavor* was put into W-B by nature, the touch of salt brings it out nice and tranquil like, without your worrying your jaw around continually. W-B is getting to be pretty nearly as popular as sunshine these happy days.
