Church of Christ Notes

Superintendent Robertson has been giving a series of short talks at the opening of the Sunday School hour which prove to be very helpful.

The sermon Sunday night will be "The Christ Triumphant."

Whether men defy or confess the resurrection, they can not fail to realize that belief of it has transformed the world. The historic basis of our belief in immortality is found in the 28th chapter of Matthew. It is the battle over the empty tomb. What do we think of the resurrection? Is it possible? Is it true? The nature of this sermon is such that it will confirm the faith of the believer, enlighten the honest doubter, and convince the unbeliever.

A hearty invitation is always extended to strangers and friends to worship with these people.
