M. E. Church Notes

"Whosoever would be first among you shall be servant of all." Mark 10:44.

Next Sunday is "Go to Sunday School Day." The two Sunday Schools of our town are laboring faithfully for the success of this special day. Will you assist them by your presence and influence toward others and get them to come. One of our great Presidents has said "The Sunday School lesson of today is the Code of Morals of tomorrow. Too much attention can not be paid to the work which the Sunday School is doing."

Can you afford to have your boy or girl raised outside of the Sunday School influence? What kind of an example are you living before your child? Remember the hour, 10 a. m. Something special.

At 11 a. m. will be the mother's Day service. The pastor will preach a special sermon for the occasion. A white flower will be provided for every one.

The Epworth League will give a special pageant anniversary service on Sunday eve to which all are invited.

The Baraccas held their monthly business meeting on Tuesday evening with Herman Mitzen. A good crowd including some of the Philatheas were present. After the business the evening was pleasantly spent in singing along with some fine refreshments. Some visitors were gladly welcomed.

The two lenses of your eye glasses should be selected separately. Not one person in a million has two eyes exactly alike. Hence what will aid one eye may injure the other. We pay especial attention to this feature and give each eye a separate and distinct examination and select lenses best suited for each.
