Johnson is originality plus. He has the largest and choicest assortment of "bullseye" anecdotes ever shot from the platform by any one man. This play on the humorous, however, is only the tobacco sauce to the meat of his thought.

THE SENATOR DECLARES HIMSELF.

I LIKE W-B CUT TOBACCO AND INTEND USING IT JUST AS LONG AS I WANT TO, REGARDLESS OF WHAT ANY ONE SAYS OR DOES.

I ADMIRE HIS SPIRIT OF INDEPENDENCE.

ACCORDING TO THE PRINCIPLES OF AMERICAN GOVERNMENT, HE HAS THE RIGHT.

WHAT makes tobacco good is the sap there is in the leaf to start with and the way it's cured—some tobacco is soppier than others. If you take a big chew of W-B CUT, you may find it too rich for you. Take a little chew—it's made of fine, sappy, leaf; there's a lot of tobacco satisfaction stored away in it. The touch of salt brings it out, without so much chewing; and a little chew lasts and satisfies.
