Fewer Eggs are required with ROYAL BAKING POWDER

In many recipes the number of eggs may be reduced with excellent results by using an additional quantity of Royal Baking Powder, about a teaspoon, for each egg omitted. The following recipe is a practical example:

Chocolate Sponge Roll

1 1/4 cups flour
2 1/2 teaspoons salt
1 cup sugar
2 eggs
2 squares melted chocolate

2 tablespoons melted shortening
1/4 cup hot water
1 teaspoon vanilla
2 teaspoons Royal Baking Powder

The old method called for 4 eggs and no baking powder

DIRECTIONS—Sift flour, baking powder and salt together three times. Beat whole eggs. Add slowly sugar, then boiling water slowly; add next vanilla, melted chocolate and melted shortening, without beating. Sift in dry ingredients, and fold in as lightly as possible. Pour into large baking pan lined with oiled paper, and bake in slow oven twenty minutes. When done, turn out on a damp, hot cloth, spread with white icing and roll.

Booklet of recipes which economize in eggs and other expensive ingredients mailed free.

Bowel Complaint in India

In a lecture at one of the Des Moines (Iowa) churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventive and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. Obtainable everywhere.

A good many people are looking into what makes men change over to W-B CUT and stick to it so. Tobacco is tobacco, but all chewing, isn't all tobacco. You don't have gummy excess sweetening to chew out of W-B CUT, before you get down to satisfaction. The shreds are tobacco, through and through—and the richest, sappiest tobacco that grows. You notice the difference at once—W-B CUT goes twice as far as ordinary plug.
