

No Eggs, Milk or Butter

The following recipe shows how an appetizing, wholesome cake can be made without expensive ingredients.

In many other recipes the number of eggs may be reduced one-half or more by using an additional quantity of ROYAL Baking Powder, about a teaspoon, in place of each egg omitted.

EGGLESS, MILKLESS, BUTTERLESS CAKE

1 cup brown sugar
1 1/4 cups water
1 cup seeded raisins
2 ounces citron
1/2 cup shortening
1 teaspoon nutmeg
1 teaspoon cinnamon
1/2 teaspoon salt
2 cups flour
5 teaspoons Royal Baking Powder

The old method (fruit cake) called for 2 eggs

DIRECTIONS—Put the first eight ingredients into saucepan and boil three minutes. When cool, add the flour and baking powder which have been sifted together; mix well. Bake in moderate oven in loaf pan (round tin with hole in center is best) for 35 or 40 minutes. Ice with white icing.

Booklet of recipes which economize in eggs and other expensive ingredients, mailed free. Address Royal Baking Powder Co., 135 William Street, New York.

Halsey Astonished by Merchant's Story

A merchant relates the following: "For years I could not sleep without turning every hour. Whatever I ate caused gas and sourness. Also had stomach catarrh. ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Adia-ka relieved me INSTANTLY." Because Adia-ka thoroughly flushes the ENTIRE alimentary canal it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has quickest action of anything we ever sold. L. E. Walton, druggist.

Don't forget the Red Cross social next Thursday.

We appreciate all that you have done to make Oregon the first state on the coast to meet its obligation in this patriotic duty. We must provide for the care of our wounded and sick soldiers. We will not be any too ready by the time that the casualty lists of 'our boys' in France begin to come home. We must not fail to thus early in the war realize the seriousness of the situation."
