The fact that the cost of ammunition is approximately 40 per cent higher than it was last year seems to make little difference in the number of hunters.

Sheriff Bodine has announced that the draft exemption rules are to be made more strict. It is stated that 80 percent of the men examined ask for exemption.

The Jefferson Review laments the loss of "one of its few industries," the Jefferson creamery. Reason for the creamery going out of business: lack of support. Whose fault is it?

The Enterprise acknowledges receipt from Secretary of State Olcott of a copy of the 1917-1918 Oregon Blue Book. In addition to the matter contained in former editions, which has been corrected to date, there is included a table showing the dates of the creation of the several counties of the state and the derivations of the county names, the Declaration of Independence, the Federal Constitution, the several acts relating to the admission of Oregon to statehood, a synopsis of the federal naturalization laws and a statement of the taxable property in the several counties for the year 1916. Copies will be promptly forwarded to all residents of the state upon request.

Liver Trouble

"I am bothered with liver trouble about twice a year," writes Joe Dingman, Webster City, Iowa. "I have pains in my side and back and an awful soreness in my stomach. I heard of Chamberlain's Tablets and tried them! By the time I had used half a bottle I was feeling fine and had no signs of pain." Obtainable everywhere.

An Appeal

To the Mothers and Sisters of Oregon:

It will be needless for me to go into detail and explain to you the problem of feeding 35 girls and 60 babies. The task is difficult at any time, but a tremendous burden at present. I appeal to you to remember the girls and babes during this canning season, and put up a little extra to ship to the Louise Home and the Albertina Kerr Nursery Home, where we are caring for abandoned mothers and babes, and we assure you that whatever you can do in their behalf will be greatly appreciated. Why not form a club in your town and ship a barrel of canned fruit or canned vegetables at Thanksgiving.

Address correspondence to Gen. Supt. W. G. MacLaren, 195 Burnside St., Portland, Oregon, for shipping instructions.

The following dispatch from The Dalles under date of August 15th will be of interest to many Halsey people: "Charles W. Erskine, an attorney of Bend, and Miss Helen McGuire, daughter of Mrs. Alexander Thompson, Representative in the last legislature, were quietly married to-night at the Hotel Dalles, attended by a few immediate friends. The Rev. Nathan Evans, of the Methodist church, performed the ceremony. B. A. Stover of Bend was the man of honor and Miss Celia Gavin the maid of honor. They will leave tomorrow for Lake Louise, Canada, where they will pass their honeymoon. The marriage is the result of a meeting at the legislature last winter." The groom was at one time a resident of Halsey, his father being the Methodist pastor here.

Cure for Cholera Morbus

HALSEY ENTERPRISE

MAKES CLUBBING ARRANGEMENT WITH

THE OREGON FARMER

Offers Unusual Opportunity To Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with *THE OREGON FARMER* whereby any farmer or fruit-grower, who is one of our regular subscribers and who is not now a subscriber of *THE OREGON FARMER*, will be entitled to receive *THE OREGON FARMER* in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
