Swat the grasshoppers.

Fizzle—the I. W. W. strike.

The Halsey Red Cross women are doing nobly.

This is a hard life. The heat drives folks to the seacoast and the cold drives 'em home again.

Unless we mistake the symptoms, some people at Brownsville are not satisfied with the quality of their city water.

It is all right to look before you leap, but when your auto has gone dead on a railroad crossing and a train is coming—forget it.

The Astoria Regatta will be held Aug. 31-Sept. 3. A feature of the affair this year will be Mayors' Day, Sept. 2, when the mayors and officials of the cities of Oregon, Washington and Idaho will meet to discuss home defense and other matters.

"It ain't the guns nor armament Nor funds that they can pay, But the close co-operation that Makes them win the day. It ain't the individuals nor The army as a whole, But the everlasting team work Of every bloomin' soul."

—Rudyard Kipling.

The Albany Democrat recently printed the story of a cougar and a man and two dogs, all of whom engaged in a fight between Cascadia and Moose Creek. We have been told that a cougar will not attack a man, but according to the story this cougar did, and did it without warning too. Moral: Don't put any faith in a cougar.

The Best Laxative

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water half a hour before breakfast and eat an abundance of fruit and vegetables, also establish a regular habit and be sure that your bowels move each day. When a medicine is needed take Chamberlain's Tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.

Home Guard Meeting

A meeting of the Halsey company of the Home Defense League is called for Friday night at the city hall. All members and all citizens interested in the welfare of the community are urged to be present. 8 o'clock.

The Red Cross Auxiliary

Of Halsey wants more members and workers, particularly knitters. They urge every woman in and about Halsey to come to the work room in the McCully building Tuesday afternoon. Any girl or woman who does not know how to knit will be taught if she desires. Material is furnished.

There is a special demand for knitters at present because of an appeal from the Red Cross commissioner for Europe for 1,500,000 knitted sets for the soldiers. These sets consist of sweater, muffler, wristlets and socks.

About twenty-five Halsey women appeared at the meeting for work Tuesday. It is hoped, in view of the present rush order, that this number will be increased next Tuesday.

Piano Tuning

Mrs. D. H. Talmadge is prepared to do piano tuning, repairing and regulating, having worked with one of the best tuners in Oregon and studied the latest and most scientific methods with one of the best schools in the country. Good tuning saves and improves your piano. Phone or call at the Enterprise office.

The Red Cross membership in Linn county is now 981. Albany has 613, Halsey 49, Harrisburg 60, Oakville 28, Seio 37, Orleans 45, Thomas 16, Sand Ridge 35, Sweet Home 30, Shedd 34, Lebanon 149, Brownsville 209, Crabtree 40, Tangent 46, Tallman 30, Mill City 47, Rock Hill 21, East Knox Butte 25, Lyons 65, Plainview 13.

The entire 687,000 men composing the first increment of the army draft forces will be under training early in October.

Eating beef, mutton or pork not more than once a day means care in the ordering and an added variety to menus that would otherwise become hackneyed and unpalatable through repetition.

MAKES CLUBBING ARRANGEMENT WITH

THE OREGON FARMER

Offers Unusual Opportunity To Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with **THE OREGON FARMER** whereby any farmer or fruit-grower, who is one of our regular subscribers and who is not now a subscriber of **THE OREGON FARMER**, will be entitled to receive **THE OREGON FARMER** in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.

M. E. Church Notes

"For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts."—Isaiah 55, 8-9.

The attendance in the Sunday school last Sunday showed a gain of 12 over a year ago.

The Philaena class were entertained on last Friday afternoon in their regular business meeting in the attractive home of Mrs. Sidney Smith. The afternoon was enjoyed by all.

The Epworth League is to enjoy a hay-rack ride next Saturday evening to the home of Rodney Savage, where a good time social is to be held in their honor.

Let every member and friend remember that the teams for next year's budget will call on you this week. And upon the result of this canvas will depend largely the success of next year's work.

Brother James Moore, Dist. Supt., will deliver the sermon at the union service at the Christian church next Sunday evening and will hold the fourth quarterly conference at the M. E. church on Monday evening.

Cure for Cholera Morbus

"When our little boy, now seven years old, was a baby he was cured of cholera morbus by Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Mrs. Sidney Simmons, Fair Haven, N. Y. "Since then other members of my family have used this valuable medicine for colic and bowel troubles with good satisfaction and I gladly endorse it as a remedy of exceptional merit." Obtainable everywhere.
