## Church of Christ Notes

The Bible School was honored on last Lord's day by the presence of Mrs. Clara G. Essen, who is our state Bible School Superintendent. Mrs. Essen conducted both the morning and evening church services. In the afternoon Mrs. Essen presided at a worker's conference. The attendance was good, and the meeting helpful to all departments of the Sunday school.

Every Sunday morning the missionary work is presented under the direction of the missionary committee. The course at the present time deals with the American Indian and will later take up the Negro, Mountain White and Frontier work.

The teachers' training class will begin their work on the evening of Sept. 29 at 7:30. The class will be led by Mr. Robertson and the new text by Weigle will be settled.

We wish to express our gratitude to the Whatsoever class for their successful work as flower committee.

The sermon topic for next Sunday morning is "Friendship and the Ideal Friend," and the evening subject will be "Voices." Special music at both services.

Choir practice will be resumed under the direction of Brother Hendricks Saturday evening at 7:30.

C. W. B. M. met on Tuesday afternoon at the home of Mrs. John Porter, Mrs. Clyde Carter leading.

The Christian Endeavor Sunday evening received advance news on the new campaign, known as the "challenge campaign." This is a move even more comprehensive than the "millions campaign" of the last few years, and was presented by Sister Goldie Wells, just from the state executive meeting at Wichita.

The C. E. business meeting was held Tuesday evening at the home of Mrs. Edith Robnett. It was unanimously decided to accept the invitation of the League to co-operate with them in a reception for the new teachers and pupils.

Word has been received from our former C. E. president Clarence Loderstrom, now in Fifth Co. O. C. A., sending greetings to his friends and expressing the wish that he might be with the Endeavors. He hopes to visit us next month.

Next Sunday evening the C. E. topic will be "Christians' Power." The lesson is Acts I; 1-8, Mr. Robertson leading.

We extend a hearty welcome to you and invite you to attend our services. Church Reporter.

## M. E. Church Notes

"Come unto me, all ye that labor and are heavy laden, and I will give you rest. Take my yoke upon you and learn of me; for I am meek and lowly in heart; and ye shall find rest unto your souls."

"The only conclusive evidence of a man's sincerity is that he gives himself for a principle. Words, money, all things else, are comparatively easy to give away; but when a man makes a gift of his daily life it is plain that the truth, whatever it may be, has taken possession of him."

The King's Herald's held their regular monthly meeting and election of officers on Monday afternoon. Deetta Robnett is the new president.

The Baracca class held their business meeting Tuesday eve with Mr. and Mrs. McWilliams. After the devotions and business session, refreshments were served and a scenic trip taken over the Columbia Highway and various natural wonders of the coast by the means of post card slides. Mr. Amiel Munson of Pinegrove was a welcome visitor.

We note in the appointments of the Columbia river conference that Brother C. H. Bryan
