Stomach Trouble and Constipation

Those who are afflicted with stomach trouble and constipation should read the following: "I have never found anything so good for stomach trouble and constipation as Chamberlain's Tablets. I have used them off and on now for the past two years. They not only regulate the action of the bowels but stimulate the liver and keep one's body in a healthy condition," writes Mrs. Benjamin Hooper, Auburn, N. Y.

Christian Church Notes

The trachers' training class, having finished the first part of their work, will review next Saturday and take the examination a week later.

A special offering was given in the Sunday school for American missions.

Sunday afternoon the officers and teachers held a workers' conference. Sunday school problems were discussed and work outlined for the next quarter. For efficiency department superintendents were elected: Arthur Robnett, literature and supplies; Mrs. Emerson True, substitute teachers; Dorothy Miller, music.

On December 2, Mr. Hendricks preached on "Your Crown at Stake," in the evening the topic was "The Supreme Question," the subject being the road to salvation. On next Lord's Day the morning sermon will be "In Remembrance of Me." In the evening a union service will be held in the M. E. church, devoted to the Red Cross.

Miss Helen Lee of Albany was a week end visitor at the home of Mr. and Mrs. J. M. Miller. At the morning church service she sang "My Task" in her pleasing contralto. In the evening she sang "Sunrise and Sunset" by Sprosa.

The C. W. B. M. will meet Tuesday, Dec. 11, at the home of Mrs. Harry Chance, Mrs. Lyle Chance. We hope you will chance to be present.

The Endeavor officers held an executive meeting Friday evening at the home of the president. Written reports were in from all but one of the committees and plans made for the regular business meeting, held Monday evening at the home of Mrs. George Taylor.

Next Sunday the topic will be "Here am I, Send Me," found in Isaiah 6:6-8. Arthur Robnett will lead. Mr. Hendricks will present the Associate Co-Workers' pledge at this time. It deals with evangelical work.

Come with us and we will do you good.

Church Reporter.

H. S. French, of Jefferson, claims the record for walnut growing for this section this year, next to the famous Prince grove of Dundee. Mr. French said he raised seven tons of walnuts on 14 acres, while Mr. Prince raised 21 tons on 11 acres.

To Whom It May Concern:

My wife having left my bed and board, I hereby give notice that I will not be responsible for any debts contracted by her.

J. W. Wells,
Halsey, Ore., Dec. 4, 1917.

Another shipment was made this week by the Halsey auxiliary to the Linn county chapter of the American Red Cross. The following articles were sent: 5 pairs wristlets, 7 pairs knitted socks, 5 sweaters, 20 pairs bed sox, 5 pajama suits, 1700 gun wipes, 73 handkerchiefs, 337 unhemmed squares, 8 splint pillows. Of these the Pine Grove ladies furnished 73 handkerchiefs, 337 unhemmed squares, 1 wash cloth, 1000 gun wipes, 1 sweater, 1 pair knitted socks, 1 pair wristlets, 8 splint pillows. It is the proper time for all patriotic people to join the Red Cross.

With the largest fall crop in many years in the ground, Linn county farmers have been rejoicing in the heavy rains of the past few days. From all indications now the immense acreage of fall-sown grain will give a big yield next summer.

Numerous pamphlets on the great war situation have been received by the Halsey public library from the National Security League. These are most interesting and may be had for the asking.

A total eclipse of the moon is to be visible on the Pacific coast on the night of December 28.

Chamberlain's Cough Remedy

This is not only one of the best and most efficient medicines for coughs, colds and croup, but is also pleasant and safe to take, which is important when medicine must be given to children. Many mothers have given it their unqualified endorsement.

POULTRY PICKINGS.

Cracked and fissured perches harbor lice. Have only sound lumber in your perches. Feed your fowls liberally. Give them a variety of whole-some food. Dry feeding of baby chicks is the only way. Bran is as cheap a food as can be used for the mash. Feed the chicks sparingly the first ten days. They are apt to eat more than they have any business to do. Water should be given to the youngsters from the start. Baby chicks soon learn to scratch. There is no better medicine for them.

THE STOCKMAN.

The neck and shoulders of most horses are all the time changing. The collar that may be all right this year may need considerable readjusting another year. A good hog pasture cuts the cost of growing pigs and hogs in two. Get the sheep out on the pasture while the life is short. Give a good feeding of hay in the morning before turning to pasture. Some blacksmiths seem to think they must earn their money paring off the horse's hoof. Result, thousands of poor sore footed horses. The feeding period of the hog is short, and the more quickly it is grown the greater the profit. Provide a lamb creep so the lambs can be fed an extra ration of grain by themselves.

All pianists and singers who like to keep up with the latest in music will do themselves a favor by sending 25 cents to E. H. Hunt, pianist at the Majestic Theatre, Portland, for a copy of his great march song success, "American Boy." Of all the patriotic compositions brought out by the war the Enterprise has heard none superior to this. And the fact that it is an Oregon product gives it an added interest. Of course you may not like it, but the chances are one hundred to one that you will enjoy it as much as others are enjoying it. Address E. H. Hunt, 395 Salmon St., Portland, Oregon.

WIDOW TO GIVE AWAY LAND.

Will Donate Building Site to Any Couple Who'll Live Near Her.

Paterson, N. J.—Mrs. W. E. Westervelt, a lonesome widow, eighty years old, has offered to give free a tract of land to any young couple who will build and live in a bungalow alongside the new house she is having constructed outside the city. In her opinion city life is not good for young married persons because there are too many movies and other attractions to draw their attention from the home.

Mrs. Westervelt is interested in religious work among young people and is moving from her house at 18 Church street because she believes that a country life is the best one to lead for health and happiness. Her offer was made known after church services the other night, and it is expected she will have many applicants for the building lot.

Chamberlain's Tablets

Chamberlain's Tablets are intended especially for stomach troubles, biliousness and constipation, and have met with much success in the treatment of those diseases. People who have suffered for years with stomach troubles and have been unable to obtain any permanent relief have been completely cured by the use of these tablets. Chamberlain's Tablets are also of great value for biliousness. Chronic constipation may be permanently cured by taking Chamberlain's Tablets and observing the plain printed directions with each bottle.

Sows and pigs for sale by O. Martin, Halsey.

Fires are becoming more numerous every day. Many fine barns and their contents have been destroyed in the last ten days. Prices are so high on all farm products that the average farmer is not carrying enough insurance on what he has. Are you one of these, or are you on the not insured list? You owe it to yourself and family to carry enough for protection. The cost is a small item compared with the benefits. Don't delay. Write or phone our office and we will come. We write the best insurance in the state for the money. Miller & Walter, Agents Oregon Fire Relief Association of McMinnville, Corvallis, Oregon.

A new book has been placed in the Halsey public library by the National Security League entitled "Out of Their Own Mouths." The book is composed of utterances of German rulers, statesmen, savants, publicists, journalists, poets, business men, party leaders and soldiers, and explains fully Germany's attitude in the world war. This volume should be widely read.
