### Buy Red Cross Stamps

The Red Cross Christmas seals are with us again. Have you a supply of them on hand to put on your letters, postcards, etc., during this month, and on your packages at Xmas?

The seals are on sale now at nearly every business house in town, so buy them early and use them often. They are only a cent apiece, but will do more than several dollars worth of good. They are sold to support the campaign against tuberculosis in your city, state and nation.

### A Ripping March Song

All pianists and singers who like to keep up with the latest in music will do themselves a favor by sending 25 cents to E. H. Hunt, pianist at the Majestic Theatre, Portland, for a copy of his great march song success, "American Boy." Of all the patriotic compositions brought out by the war the Enterprise has heard none superior to this. And the fact that it is an Oregon product gives it an added interest. Of course you may not like it, but the chances are one hundred to one that you will enjoy it as much as others are enjoying it. Address E. H. Hunt, 395 Salmon St., Portland, Oregon.

If you are a registrant, if your name is on the draft list, watch out for the questionnaire to be mailed starting Dec. 15, and be quick to respond to it.

### A Christmas Suggestion

When you make a present of The Youth's Companion you are giving not merely the means of wholesome pleasure and fascinating information every week. The Companion is all that. But it is something more. Hundreds of letters to The Companion speak of the influence of the paper in binding home ties. The mothers and fathers and the boys and girls in Companion families are very close knit, in their affections. They have a common interest in the same duties and recreations, and they all regard The Companion as one of themselves. It has a personality and a character unique among publications, and you cannot introduce a more inspiring influence into any home circle.

It is not a publication merely—it is a friend. The Companion alone is \$2.00, but the publishers make an Extraordinary Double Christmas Present Offer—The Youths' Companion and McCall's Magazine together for \$2.25.

This two-at-one-price offer includes:

1. The Youth's Companion—52 issues in 1918.
2. All remaining 1917 issues of The Companion free.
3. The Companion Home Calendar for 1918.
4. McCall's Magazine—twelve fashion numbers in 1918. All for \$2.25.

New subscriptions received at this office for The Youth's Companion, Commonwealth Avenue, Boston, Mass.

## Are You Eating To Win the War?

This Newspaper recommends  
Today's Housewife to every patriotic woman  
who wishes to help win the great war

Today's Housewife is especially needed by every homemaker in the present war-crisis, because the seven Courses in Domestic Science now running in the magazine help housewives to better select, prepare and conserve food supplies, to cut down waste, and at the same time to add to the health and welfare of the entire family.

Today's Housewife is the only magazine that maintains a model home where cookery recipes, new household devices, cleaning methods, etc., are put to practical tests before their appearance in the pages of the magazine.

The monthly lesson on "Cookery, Foods and Nutrition" under the direction of Caroline Hunt of the Department of Agriculture, is alone worth the price of a ten-year subscription not only to the woman who follows each lesson but to the government of the United States in helping to win the terrific war with the Central Empires of Europe.

### Favorite Magazine of Home-loving Women

REMEMBER, better home-making is the ideal back of TODAY'S HOUSEWIFE, its reason for existence, its earnestly planned-for goal. Better home-making in its largest sense, with the spiritual and mental no less than the material needs of the family in view; home-making as the biggest of woman's opportunities rather than house-keeping as the most dreary of woman's drudgeries.

While Today's Housewife stands in a class by itself in its practical value to homemakers, it is also noteworthy for its wonderfully inspiring editorials and special articles, for its clean, delightful stories, and its beautiful illustrations and covers by leading artists. Over one million women agree that TODAY'S HOUSEWIFE is worth several times the price of 10 cents per copy.

You can save 45 cents by subscribing by the year through us instead of buying single copies. Call at our office and examine the current issue or mail your (new or renewal) subscription to us at once. Remember, a year's subscription for only 75 cents for the magazine that would be cheap at \$1.50.
