Patriotism begins at home.

The Halsey Home Guard is making rapid progress towards efficiency these days. A competitive squad movement is now in operation, one squad under the leadership of J. W. Manrose meeting for drill every Wednesday night, and the other squad, led by Frank Isom, meeting every Friday night. Meetings for general drill are held Monday nights. The boys will soon be provided with uniform caps.

The W. F. M. S. of the M. E. church met with Mrs. Walter Smith Friday afternoon. Mrs. Marsters led the lesson, which consisted of readings from the "Friend." After the meeting the ladies enjoyed a marshmallow toast.

If you're doing your bit, do another bit. That's two bits—the price of a war-savings thrift stamp.

The mighty oak was once an acorn. A thrift stamp may become a liberty bond.

Remember the wheatless and meatless days and keep them wholly.

Soon Over His Cold

Everyone speaks well of Chamberlain's Cough Remedy after having used it. Mrs. George Lewis, Pittsfield, N.Y., has this to say regarding it: "Last winter my little boy, five years old, was sick with a cold for two or three weeks. I doctored him and used various cough medicines but nothing did him much good until I began using Chamberlain's Cough Remedy. He then improved rapidly and in a few days was over his cold."

MAKES CLUBBING ARRANGEMENT WITH

THE OREGON FARMER

Offers Unusual Opportunity To Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with *THE OREGON FARMER* whereby any farmer or fruit-grower, who is one of our regular subscribers and who is not now a subscriber of *THE OREGON FARMER*, will be entitled to receive *THE OREGON FARMER* in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
