Christian Church Notes

Next Sunday Mr. Hendricks will discuss the subject "When does One Become a Member of the Church?" In the evening the subject of the sermon will be "What Will You Do with Jesus?" Special music is planned for both services.

A recent executive meeting is reported with seven of the cabinet present, and plans made for the social and business meeting.

One day the Shepherd passed and turning, said:

"Come, and follow me;"
What wonder that in haste I rose,
So kind was he?—M. Fraser.
Church Reporter.

There are many reasons why the Halsey Auxiliary of the Linn County Red Cross succeed in putting out a quantity of sewing and knitting, says a prominent member of the society in a communication to this paper. John LaRue contributes some little time to keeping the windows shining and the floors swept. The supervisors of sewing and knitting, Mrs. Schroll and Mrs. Nellie Taylor, very ably care for their work. Mrs. Manrose and Mrs. McMahan do all of the cutting in a systematic way, while the chairman of the auxiliary, Mrs. Geo. Laubner, keeps an eye on the whole situation, doing also her share of sewing and knitting. The knitters need special mention, for among them are several ladies not young enough to be drafted into service. Among these are Mrs. F. M. Kizer, Mrs. M. M. Ward, Mrs. Isabelle Kirk, Mrs. Van Winkle, Mrs. Miller, Mrs. Bond, Mrs. Brandon, Mrs. Brock, Mrs. True, Mrs. Pray and Mrs. Dean. There are being knitted at this time 16 sweaters. The men of our community aid the work often, besides opening their purses to the many demands of the Red Cross, and the editor of the Enterprise willingly co-operates with the work in publishing the aims and accomplishments of the American Red Cross.

Prefers Chamberlain's

"In the course of a conversation with Chamberlain Medicine Co.'s representative today we had occasion to discuss in a general way the merits of their different preparations. At his suggestion I take pleasure in expressing my estimation of Chamberlain's Cough Remedy. I have a family of six children and have used this remedy in my home for years. I consider it the only cough remedy on the market, as I have tried nearly all kinds."—Earl C. Ross, Publisher Hamilton County Republican-News, Syracuse, Kan.

M. E. Church Notes

Jesus said unto them, "Come ye after me, and I will make you to become fishers of men."—Mark 1:17.

Members of the Bible study teachers' training class are busy these days preparing for the final exam on the first book. It is very essential that all members take the examination and prepare for the next course.

Reports from the rural members of our Home department show 46 lessons studied last quarter and an offering of \$1.92. We are sorry to report our superintendent of the town work on the sick list, so this report will come later.

The Philatheas held their business meeting on Tuesday evening at the home of Mona Bond with a good attendance and some good work accomplished. The girls are planning a cooked food sale in the near future, the announcement of which will come later.

The Baracas met with Claren Gormley, ten of the boys being present and a nice devotional and business session carried out. About \$10 was subscribed for the coming year's Chinese student fund. It seems that a boy and the "cats" are inseparable, and the mother is the one that comes to the rescue, and Claren's mamma served a delicious lunch. The boys' quartet will go to Shedd Thursday night to sing for the revival meeting. Bro. Cain is preaching there again this week.

See W. J. Ribelin for Oregon Journal bargain subscriptions. During the bargain period, which expires soon, you can get the Journal one year for \$3.75. Daily and Sunday \$5.50. Semi-weekly 85 cents. Don't put off handing in your subscription until it is too late.

When you receive a sample copy of the Enterprise please take it as an invitation to subscribe.
