Are Your Sewers Clogged?

The bowels are the sewerage system of the body. You can well imagine the result when they are stopped up as is the case in constipation. As a purgative you will find Chamberlain's Tablets excellent. They are mild and gentle in their action. They also improve the digestion.

M. E. Church Notes

The Sunday school lesson topic for Jan. 20, "Jesus at Work!"

"And they went into Capernaum; and straightway on the Sabbath day he entered into the synagogue, and taught. And they were astonished at his doctrine; for he taught as one having authority, and not as the scribes."—Mark 1:21-22.

Jesus wrought as God manifest in the flesh, worthy to be trusted as the Savior of the world, good enough and mighty enough to save repentant sinners.

One of our sweet little singers from our Sunbeam choir will sing at Sunday school. Come early or you will miss it.

The King's Herald held their meeting last Saturday p. m. with Elliot McWilliams. Twenty-two were present, including two new members added to the roll. They are a lively bunch of chatters and merry funmakers and furnish a very entertaining program for those who are interested in this splendid work for children. Mrs. B. M. Miller is the efficient superintendent and deserves much credit for the Christian training she is bringing to our coming generation.

The Epworth League held their monthly business meeting and social at the League room on Tuesday evening. Those present reported a good time.

Bro. Sneed, in the absence of the pastor, delivered two good sermons last Sunday.

Mrs. Tom Bennett and Mrs. Huston received honorable mention.
