

Royal Baking Powder saves eggs in baking

In many recipes only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoon, in place of each egg omitted.

Try the following recipes which *also conserve white flour as urged by the government.*

Corn Meal Griddle Cakes

1 1/2 cups corn meal
1 1/2 cups boiling water
1/2 cup milk
1 tablespoon shortening
1 tablespoon molasses
1/2 cup flour
1 teaspoon salt
4 teaspoons Royal Baking Powder
NO EGGS

Scald corn meal in bowl with boiling water; add milk, melted shortening and molasses; add flour, salt and baking powder which have been sifted together; mix well. Bake on hot greased griddle until brown.

(The Old Method called for 2 eggs)

Eggless, Milkless, Butterless Cake

1 cup brown sugar
1 1/2 cups water
1 cup seeded raisins
3 ounces citron, cut fine
1/2 cup shortening
5 teaspoons Royal Baking Powder

1/2 teaspoon salt
1 teaspoon nutmeg
1 teaspoon cinnamon
1 cup flour
1 cup rye flour

Boil sugar, water, fruit, shortening, salt and spices together in saucepan 5 minutes. When cool, add flour and baking powder which have been sifted together. Mix well; bake in loaf pan in moderate oven about 45 minutes.

(The Old Method [Fruit Cake] called for 2 eggs)

Mystery Cleared Up Again

The case of Mignon Swanson, teacher in the Kirk district, whose mysterious disappearance from her school duties caused some talk last week, was again in the spotlight Sunday owing to the fact that the young woman was not in a Portland hospital as reported.

However, as happened previously, she was found before the mystery had time to deepen to any great extent and it is now believed that her career as a mysterious disappearance specialist is over.

Miss Swanson is said not to be in the best of health and her nervous organism is such as to unfit her for school teaching. She worried a good deal over her work in the Kirk district, and finally decided to leave teaching for other lines of endeavor.

She was found Sunday night in a residential hotel at Portland, where she had secured work.

Miss Swanson is a daughter of John Swanson of Waterloo and was formerly a student at the University of Oregon. It is stated that she has an ambition to fit herself for a civil service position.

J. H. Hammond left Tuesday for San Francisco, where he will enter the Southern Pacific hospital for treatment for the injury he received when the speeder on which he was riding was struck by a freight train a short time ago. Mrs. Hammond will go to Portland for a visit to her sister, Mrs. Reiner, while he is absent.

Are Your Sewers Clogged?

The bowels are the sewerage system of the body. You can well imagine the result when they are stopped up as is the case in constipation. As a purgative you will find Chamberlain's Tablets excellent. They are mild and gentle in their action. They also improve the digestion.
