

Royal Baking Powder saves eggs in baking

In many recipes only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoon, in place of each egg omitted.

Try the following recipes which also conserve white flour as urged by the government.

Corn Meal Griddle Cakes

1 1/2 cups corn meal
1/2 cup boiling water
1/2 cup milk
1/2 cup shortening
1 tablespoon molasses
1/2 cup flour
1 teaspoon salt
4 teaspoons Royal Baking Powder

NO EGGS

Soak corn meal in bowl with boiling water; add milk, melted shortening and molasses; add flour, salt and baking powder which have been sifted together; mix well. Make on hot greased griddle until brown.

(The Old Method called for 2 eggs)

Eggless, Milkless, Butterless Cake

1 cup brown sugar
2 1/4 cups water
1 cup seeded raisins
2 ounces citron, cut fine
1/2 cup shortening
8 teaspoons Royal Baking Powder

1/2 teaspoon salt
1/2 teaspoon nutmeg
1 teaspoon cinnamon
1 cup flour
1 cup rye flour

Bolt sugar, water, fruit, shortening, salt and spices together in saucepan 3 minutes. When cool, add flour and baking powder which have been sifted together. Mix well; bake in loaf pan in moderate oven about 45 minutes.

(The Old Method [Fruit Cake] called for 2 eggs)

Send for our new booklet "55 Ways to Save Eggs." Mailed free on request. Address Royal Baking Powder Co., Dept. H., 135 William Street, New York

THOMPSON'S BEST BUCKWHEAT FLOUR for Hot Cakes

Close Big Deal

Walter M. Tway of Arizona has purchased through the realty firm of Miller & Walter at Corvallis the 370-acre farm of A. Munson, six miles northwest of Halsey, for a cash consideration of about \$75 per acre or \$27,750. Mr. Tway is a well-to-do cotton grower of the south and expects to add some extensive improvements to this fine place. Such people of means are a great asset to this country, and we are advised that this realty firm is now in touch with more such people, who will buy here when they find such properties as will suit them.

When You Have a Cold

It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remedy. Mrs. Frank Crocker, Puna, Ill., writes: "Our five-year-old son caught a severe cold last winter that settled on his lungs and he had terrible coughing spells. We were greatly worried about him as the medicine we gave him did not help him in the least. A neighbor spoke so highly of Chamberlain's Cough Remedy that I got a bottle of it. The first dose benefited him so much that I continued giving it to him until he was cured."

Sunday school subject next Sunday "Jesus Teaching by Parables."

The earth shall be full of the Lord, as the waters cover the sea. Isaiah 11:9.

Leading thought—The Gospel is to be preached throughout the world.

Everyone enjoyed the opening exercises by the primary class last Sunday; Class No. 2, will have charge on March 4th.

Wanted, a competent lady to take charge of our Sunbeam choir. We need to catch a vision of the possibilities in the future lives of the children.

The Philatheas held their regular meeting Tuesday evening at the home of Mr. and Mrs. Mornhinweg. Our young ladies believe in keeping their affairs up to date.

The new books for the second Bible study course have been ordered. There will be from 15 to 20 in the class.

Official board meeting next Monday night. A full attendance is desired. Important matters on hand that concern all.

Lake Creek Items

School opened last Tuesday. Mrs. W. J. Martin of Harrisburg assumed the duty as teacher, Miss Teeters having resigned on account of poor health.

The Lake Creek Farmers' Union will give an entertainment Friday evening, Feb. 22. You all have a cordial invitation to attend.

Mr. and Mrs. N. H. Cummings are the proud parents of a fine baby girl, born Feb. 20.

Mrs. Lee Anderson is visiting in Albany this week.

C. C. Jackson and son T. J. were business visitors in Albany last Tuesday.

Mrs. J. Curtis of Alberta, Canada, is visiting her sister-in-law, Mrs. Henry Brock, and husband.

WHEAT-CORN YEAST BREAD.

Wheat-corn bread is more nutritious than bread baked with wheat flour alone. Thousands of American families today are using this mixed flour bread, and in so doing are enabling America to provide more wheat flour for the allies. Here's a tested recipe for this bread: Take one and a half cups of milk, water or a mixture of the two; one-half cake compressed yeast, one and a half teaspoons salt, one tablespoon sugar, one tablespoon of fat if desired, one cup cornmeal and two cups wheat flour.

Put one and a half cups of water, the cornmeal, salt, sugar and fat (if used) into a double boiler and cook twenty minutes. The water is sufficient only to soften the meal a little. Allow the meal to cool to about the temperature of the room and add the flour and yeast mixed with the rest of the water. Knead thoroughly, make into loaf, place in pan of standard size, allow to rise until nearly fills the pan and bake 45 or 50 minutes. It is hardly practicable to use a greater percentage of cornmeal than this even in emergencies, for bread so made differs very little from baked mush. Less cornmeal can be used and in such a case the general method given above may be followed.

It is possible to make a yeast raised corn bread without first cooking the cornmeal. In this case not more than one cupful of meal should be used to four cupfuls of flour. In other respects the bread is mixed and baked as in the above recipe.

THE UNITED STATES FOOD ADMINISTRATION SAYS:

Food saving is in its essence the daily individual service of all the people. Every group can substitute, and even the great majority of thrifty people can save a little—and the more luxurious elements of the population can, by reduction to simple living, save much. This means no more than that we should eat plenty, but wisely and without waste.

The mighty oak was once an acorn. A thrift stamp may become a liberty bond.
