

Royal Baking Powder saves eggs in baking

In many recipes only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoon, in place of each egg omitted.

Try the following recipes which also conserve white flour as urged by the government.

Corn Meal Griddle Cakes

1 1/2 cups corn meal
1 1/2 cups boiling water
2 cups milk
1 tablespoon shortening
1 tablespoon molasses
1 cup flour
1 teaspoon salt
4 teaspoons Royal Baking Powder
NO EGGS
Scald corn meal in bowl with boiling water; add milk, melted shortening and molasses; add flour, salt and baking powder which have been sifted together; mix well. Bake on hot greased griddle until brown.
(The Old Method called for 2 eggs)

Eggless, Milkless, Butterless Cake

1 cup brown sugar
1 1/2 cups water
1 cup seeded raisins
2 ounces citron, cut fine
1/2 cup shortening
5 teaspoons Royal Baking Powder
1/2 teaspoon salt
1 teaspoon nutmeg
1 teaspoon cinnamon
1 cup flour
1 cup rye flour
Boil sugar, water, fruit, shortening, salt and spices together in saucepan 3 minutes. When cool, add flour and baking powder which have been sifted together. Mix well; bake in loaf pan in moderate oven about 45 minutes.
(The Old Method [Fruit Cake] called for 2 eggs)

Mr. and Mrs. Kirk came to Brownsville Thursday evening for a short visit with Mrs. Kirk's parents, Mr. and Mrs. John Harrison, before returning home—Brownsville Times.

A meeting of the creditors of the milk condensery was held at Scio to try and devise a method whereby creditors could secure at least part of the sums due them. No definite plan was agreed upon, and it looks at present as though the Jefferson creditors could secure about 5 cents on the dollar. It appears much like a skin game on the part of the company and there is no law by which the "skinner" can be punished.—Jefferson Review.

The Pneumonia Season

The cold, damp weather of March seems to be the most favorable for the pneumonia germ. Now is the time to be careful. Pneumonia often results from a cold. The quicker a cold is gotten rid of the less the danger. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. As to the value of this preparation, ask anyone who has used it.
