Devoted to the material upbuilding of Halsey and surrounding country and Linn county generally. Subscription rate \$1.50 per year in advance.

The American Red Cross wants 5,000 tons of partly worn clothing before March 25. The clothing is wanted for destitute families in occupied Belgium and Northern France. Two conditions only are made: only clothing that is strong and durable and only useful articles are desired. Clothing need not be in perfect repair. Besides suits, dresses, underwear, shoes, stockings, sweaters, hats, caps, etc., for men, women and boys, baby clothes are especially needed. Men's and women's stiff hats and women's fancy slippers are not wanted, neither any goods containing rubber in any form, such as suspenders, garters, etc. In the miscellaneous line bed ticks, sheets, pillow cases, blankets.

Clocks in Halsey and all over the United States will be set forward an hour at 2 a. m. Sunday, March 31, and for the following five months daylight will be saved. This is the purpose of the bill just passed by congress. In October the clocks will be turned back again.

Remember, you can get the Oregon Farmer for one year absolutely free by paying a year in advance for the Enterprise.

Elmerion Smith Dead

Another pioneer has gone. Elmerion Smith died at his home in Halsey March 18, aged 81.

Mr. Smith was born in Peoria county, Illinois, September 24, 1836, and first came to Oregon in 1863. He spent three years in the Willamette valley teaching school and looking at the new country, then returned to his home in Illinois, traveling part of the way by steamer via the Isthmus of Panama. He returned to Oregon in 1877 and purchased the Joseph Lane farm one and a half miles northwest of Halsey. The succeeding year he was followed by his brother James A. Smith and family, and the two brothers engaged in partnership farming for a number of years. Out of a family of ten children he is survived by one brother and two sisters. He was the same as a father to his immediate family.

The surviving relatives in Halsey are Mrs. Thomas McWilliams, a sister, Miss Marguerite Smith, a niece, and Fred G. and Sidney J. Smith and D. S. and J. A. McWilliams, nephews.

Funeral services were held at Pine Grove at 1:30 p. m. yesterday, March 20, Rev. J. D. Cain officiating.

Mr. Smith was a man of high morals and true honesty. His kind words, thoughtfulness and charity for others will be remembered by all who knew him.

Wanted! More Thrift Folks!

Our Halsey students are in the game with full vim and vigor. This week they raised their mark by the purchase of 49 thrift stamps. This week nine ladies' teams are going into every back and corner of the two Halsey precincts in conjunction with simultaneous work all over the land and they are bringing out the goods. The willing spirit of the workers on the one hand and the patriotic interest and quiet determination of the people on the other hand all mean victory.

The Linn county committee for Armenian relief realizes that the people of the county are willingly donating money for many purposes, but comparatively a small sum is asked in this drive. When we who have children see reports of little tots starving by hundreds for lack of bare necessities in that stricken country, the need of this work is appreciated. Five dollars per month will save a life. It is believed that the people generally will realize the need of this drive, and when it is made Linn county will raise its quota for this purpose as it has for the other drives for charitable works and national needs.

Blaine Hallack, speaker for the third Liberty Loan drive, addressed a meeting at the city hall in Halsey yesterday afternoon. He was met by a company of Albany men who accompanied him to Brownsville for a meeting that evening.

High School Notes

Miss Perkins was called home for a few days last week on account of the death of her mother. She returned Sunday and was heartily received by the high school students. She has the sympathy of all.

The boys of the high school have decided to work from 3:30 till 4:00 Friday afternoon of each week and let the funds go to the support of the Junior Red Cross. If you have work they can do please let the high school know about it.

The high school drama has been postponed a week on account of other entertainments in town. It will be given on the evening of April 5. Be sure and come.

Several of the students of this school are absent on account of chicken pox or measles. Nothing serious at all.

The Brownsville high school will play their drama here Saturday evening, the proceeds to go to the Halsey Red Cross. Come and show your patriotism.

The people of Halsey and especially the high school students enjoyed the drama here Friday evening. It was put on by the Shedd students.

Two and a half million Armenians—Syrians—women and children—starving. 17 cents a day will save a life. America at this time is engaged in a campaign to raise \$30,000,000 for the immediate relief of these naked, starving ones. The city of Portland is raising \$75,000, the state another \$75,000. The local committee for Halsey will meet this evening to devise plans for canvassing the town next week. When you are asked to give **KEEP SWEET.**

D. F. Dean left for Coquille Sunday where he expects employment for the summer. Word was received that morning from Ray Dean that in the fire which started in the Scenic Theatre there on Sunday morning, their house with nearly all the contents had burned. Since then it has been learned that they lost all their furniture, but succeeded in saving most of their clothing.

The Pneumonia Season
The cold, damp weather of March seems to be the most favorable for the pneumonia germ. Now is the time to be careful. Pneumonia often results from a cold. The quicker a cold is gotten rid of the less the danger. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. As to the value of this preparation, ask anyone who has used it.

WITHYCOMBE A CANDIDATE

Governor Puts a Stop to Rumors Leaving Him Out of the Race

Governor Withycombe will be a candidate to succeed himself. All doubts upon this point have been set at rest by an announcement from Salem this morning, in which the governor says: "If the people of Oregon are of the opinion that I have served

them faithfully, I should be pleased to receive a vote of confidence at their hands."

He dwells upon his efforts during his term of office to promote the development of the state, to bring about the construction of good roads, to emphasize the importance of education and especially to maintain at white heat the devotion of the people to the great cause of liberty and democracy for which the country is fighting, and says he will continue, if re-elected, to do everything he can to accomplish these ends.

He pledges himself to support the president in making the power of the country effective in the great world war. He declares himself for rigid law enforcement, for prohibition and equal suffrage, for rigid economy, for the increase of desirable population, for the encouragement of manufacturing enterprises, for the enlargement of flocks and herds of the best breeds, for the eradication of fruit pests and other destructive agencies in orchard and farm, and for the general encouragement of productiveness in all lines of endeavor.

A surprise was given Mr. and Mrs. George Gansle at their home on Saturday, March 16, it being their wedding anniversary. Many friends and relatives came to spend the afternoon with them.
